

**Manchester Health and Wellbeing Board
Report for Information**

Report to: Manchester Health and Wellbeing Board – 7 July 2021

Subject: COVID-19 Update and Manchester enhanced area Action Plan

Report of: Director of Public Health
Medical Director, Manchester Health and Care Commissioning

Summary

On 8 June 2021, Manchester along with the rest of Greater Manchester and parts of Lancashire were designated as an 'enhanced response area'. Manchester has since developed and implemented the local era action plan which is attached for information. At the meeting of the Board, the Director of Public Health (DPH) will provide an update on the implementation of the Plan which runs up to the 19 July. The priority workstream in the Plan is the Targeted Vaccination Drive and the Medical Director, Manchester Health and Care Commissioning will also provide the update on this work and the wider roll out of the Citywide Vaccination Programme. A presentation is attached.

Recommendations

The Board is asked to:

- 1) Support the ongoing implementation of the era Action Plan
 - 2) Receive the presentation.
-

Board Priority(s) Addressed:

Health and Wellbeing Strategy priority	Summary of contribution to the strategy
Getting the youngest people in our communities off to the best start	The COVID-19 era Plan and Vaccination Programme supports the city's response to the pandemic both in terms of the resilience of the health and care system, and the recovery of the population within education, employment and wider health and wellbeing priorities.
Improving people's mental health and wellbeing	
Bringing people into employment and ensuring good work for all	
Enabling people to keep well and live independently as they grow older	
Turning around the lives of troubled families as part of the Confident and Achieving Manchester programme	
One health and care system – right care, right place, right time	
Self-care
