

**Manchester City Council
Report for Information**

Report to: Health Scrutiny Committee – 21 July 2021

Subject: COVID-19 Update

Report of: Director of Public Health, Manchester City Council
Medical Director, Manchester Health and Care Commissioning

Summary

The Director of Public Health will deliver a presentation on the latest available data relating to Manchester and the ongoing implementation of the enhanced support area action plan. A key element of the plan is the ongoing roll out of the Manchester Vaccination Programme and the Medical Director, Manchester Health and Care Commissioning, will provide the Committee with an update. In addition, the Director of Public Health will highlight some of the key messages from the attached final draft of the Manchester Public Health Annual Report for 2020/21 before this report is presented to the Manchester Health and Wellbeing Board on 1 September 2021. The report provides a summary record of all COVID related activity since the start of the pandemic.

Recommendations

The Committee are asked to:

- i) Note the report and receive the presentations; and
 - ii) Comment on the Manchester Public Health Annual Report.
-

Wards Affected: All

Environmental Impact Assessment - the impact of the issues addressed in this report on achieving the zero-carbon target for the city

Manchester Strategy outcomes	Summary of how this report aligns to the OMS
A thriving and sustainable city: supporting a diverse and distinctive economy that creates jobs and opportunities	This unprecedented national and international crisis impacts on all areas of our city. The 'Our Manchester' approach has underpinned the planning and delivery of our response, working in partnership and identifying innovative ways to continue to deliver services and to establish new services as quickly as possible to support the most vulnerable in our city
A highly skilled city: world class and home grown talent sustaining the city's economic success	
A progressive and equitable city: making a positive contribution by unlocking the potential of our communities	
A liveable and low carbon city: a destination of choice to live, visit, work	
A connected city: world class infrastructure and connectivity to drive growth
