CITY COUNCIL**

Notice of Decision Made

Decision maker	Executive Director of Adult Social Services
Date of decision	15 July 2021
What is the decision?	To award time limited contracts to three home care providers (who already provide homecare packages to Manchester residents) to assist in Covid-related Rapid Hospital Discharge, and to provide individual packages of home care to Manchester residents during the transition to the Our Manchester Homecare neighbourhood model.
Reasons for the decision (but excluding any exempt or confidential information)	These contracts help to sustain additional homecare capacity in Manchester at a critical time when the homecare market, locally and nationally, continues to be impacted by the coronavirus pandemic.
Alternatives considered and rejected	The council first refers new packages of care to the Our Manchester Homecare neighbourhood providers. However, the coronavirus pandemic has highlighted a need for temporary additional capacity before Manchester can fully transition to the neighbourhood model.
