We're looking to host an event for Levenshulme Pride and expect that we will need to use part of the outside front area of the premises. We're looking to use temporary crowd control barriers to stop people going onto the road and to keep the areas safe for people walking past.

Please describe the nature of the premises

We're a coffee shop/restaurant serving food and drinks on 1st floor and 2nd floor.

Please describe the nature of the event

Levenshulme Pride March will be walking up the A6 on August 14th. We're looking to have a small setup outside the front of our premises on the day so that we can serve people stopping here and passing by. It will be day time event and we expect it to end before 10pm. We are looking for permission to put a porta loo outside and make sales at the front of the shop for one day only.

We'll be hiring security to ensure there is no anti social behaviour. We will operate a wrist band system to ensure sale of alcohol is only made to those overage. We will also use crowd control barriers to stop disruption to traffic and passers by.
