Representations received

Greater Manchester Police	Concerns that the conditions offered are not sufficiently robust to support the four Licensing Objectives.
Licensing & Out of Hours Compliance	Concerns regarding potential nuisance to neighbouring premises; management of the increased footfall in the area at the time of events; and management of patrons purchasing alcohol for consumption off the premises.

Agreements between parties

Greater Manchester Police:

The premises shall install and maintain a comprehensive digital colour CCTV system. All public areas of the licensed premises, including all public entry and exit points and the street environment will be covered, enabling facial identification of every person entering in any light condition. The CCTV cameras shall continually record whilst the premises are open to the public and recording shall be kept available and unedited for a minimum of 28 days with the date and time stamping. A staff member who is

conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be played back on a standard personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.

The Designated Premises Supervisor shall ensure that a written notice of authority is kept at the premises for all staff who sell alcohol. The notice shall be made available for inspection upon request of the police or an authorised officer of the licensing authority and all staff selling alcohol must be in possession of formal identification to enable to verify their identity against the notice.

The premises shall display prominent signage indicating at any point of sale, at the entrance to the premises and in all areas where alcohol is located that it is an offence to buy, or attempt to buy, alcohol for a person under the age of 18.

In addition to any other training, the premises licence holder shall ensure all staff are trained to prevent underage sales, to be aware of and prevent proxy sales, to maintain the refusals log, enter sales correctly on the tills so the prompts show as appropriate and monitor staff to ensure their training is put into practice. Documented records of training completed shall be kept for each member of staff. Training shall be regularly refreshed and at no greater than 6 monthly intervals.

The need for security staff will be determined by documented risk assessment. The premises licence holder shall ensure that the provision of door supervisors at the premises is appropriate to ensure the safe control of the premises, and shall review this on a regular basis and upon request from GMP.

All staff engaged outside the entrance to the premises, or supervising or controlling queues, shall wear high-visibility armbands. The need for door staff should also be regularly reviewed and risk assessed, and appropriate security employed.

Licensing & Out of Hours Compliance:

Customers will not be permitted to remove from the premises any drinks supplied by the premises (alcoholic or otherwise) in open containers except for consumption in any delineated external area as shown on the plan attached to the licence.

All external windows and doors must be kept shut at all times when regulated entertainment is being provided. Doors may be opened for normal entrance and egress of people but must be shut immediately thereafter.

No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to a nuisance.
