Dear Sir

Please accept this letter as formal notification that Greater Manchester Police wish to object, under Section 104(2) of the Licensing Act 2003, to the **TEMPORARY EVENT NOTICE** detailed below, as we are satisfied that granting the application under these circumstances would undermine the Licensing Objectives.

PREMISES NAME:	REDRUTH STREET
ADDRESS:	REDRUTH STREET MANCHESTER M14 7PX
DATE OF EVENT:	29/08/21
TIME OF EVENT:	1200-2000hrs

GMP object to the grant of this Temporary Event Notice on the grounds of the Prevention of Crime and Disorder, the Prevention of Public Nuisance and Public Safety.

This application seeks to allow the use of a whole street for the sale of alcohol and regulated entertainment from 12pm until 8pm for up to 400 people.

There is nothing within the application to show whether the street will be blocked off to traffic and how this will be achieved. It also doesn't say whose permission has been given for the street to be closed off.

If the street isn't closed off to traffic then this raises serious concerns regarding the safety of the persons attending.

In addition to the road closure issue GMP would have expected a comprehensive event management plan and an alcohol management plan to have been submitted

GREATER MANCHESTER POLICE

along with this TEN. Also a detailed security plan which shows the numbers of SIA door staff and their positions within the event site.

With these important documents not being included it leaves GMP in a position where we are concerned that the Licensing Objectives will be undermined, as it is not clear what systems and procedures will be in place during the dates of the events.

As such we ask that this TEN application is refused.

Dear Premises Licensing/ Mr Tunde,

Please take this email as a notification of an objection towards the TEN for the Redruth Street Party taking place on the 29th August 2021.

The Licensing & Out of Hours Team have considered the notice and any potential impact the event taking place could have on the licensing objectives, in particular the Prevention of Public Nuisance.

The notice advises that the event will take place over the street and has requested permission for alcohol sales (on) and regulated entertainment for 400 people. Redruth Street comprises of adjacent rows of terrace houses, each have very small courtyards to the front of the houses and gated alleyways to the back streets. The organisers have not engaged in pre-consultation with responsible authorities regarding the event.

There is no information in the notice which states where exactly alcohol will be sold from, how this will be managed, what type of regulated entertainment will be played/ managed, if permissions have been sought to close the road and pavements, and if residents have been made aware of the event.

The notice requests a capacity of 400 persons, however it has not stated how this would be managed to prevent the number from increasing or how the event organisers intend to keep alcohol sales for 'on' the premises, as customers could easily walk away from the potentially licensed street with alcohol, making the sale 'off' and unauthorised. A large-scale event of 400 persons with permissions for alcohol sales and regulated entertainment on a residential street has the potential to create public nuisance by way of noise made by people and equipment, as well as littering of alcohol vessels. This could have an impact not just on Redruth Street but also the surroundings streets.

As there is no information regarding security the LOOH team would question how the organisers of the event would finish the event at 8pm, carry out dispersal and prevent the event from continuing into early morning hours. The LOOH team would also have concerns over a large-scale event and the responsibility of alcohol sales and regulated entertainment being in the charge of a person who does not hold a Personal Licence.

Kind regards
