I am Police Constable 17659 Isherwood of the Greater Manchester Police, Licensing Officer for the City of Manchester Division, currently based in the Licensing Team at Manchester Town Hall Extension.

Part of my remit as licensing officer is to oversee all of the licensed premises on the City of Manchester Division. The objective of the role is to promote and maintain the 4 licensing objectives at licensed premises, those being the Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.

History

The premises are situated on Longworth Street in Manchester city centre. The premises licence was issued on 02/09/2005. The Premises Licence Holder (PLH) is Laila Leisure Ltd and the Designated Premises Supervisor (DPS) is Frankie Fabowale, who has held this position since April 2017.

Incidents

As with all premises classed as nightclubs History was closed under Coronavirus Regulations in March 2020 and was only permitted to reopen in July 2021.

Since July this year there have been 5 reports of assaults and public order offences which have occurred at the premises and these are as follows:

At 0404 hours on Wednesday 28th July 2021 GMP were contacted by a female who stated that she has been leaving History nightclub in order to get a taxi and go home and has observed a fight going on and has ran over to intervene. The offender, who was part of this fight, has turned and has punched her to the nose causing it to bleed.

The victim has dropped her bag on to the floor. The fighting group have then dispersed and the victim has noticed her bag is missing. The bag was found nearby by a member of the public and returned to the victim. A report of Crime for Actual Bodily Harm was later submitted. I now submit the incident report and crime report as exhibits AEI/1 and AEI/2 and these can be found at pages 4-11 of the bundle.

At 0502 hours on Sunday 29th August 2021 GMP were contacted by a female who informed them that a male suspect spat had spat at her at the premises. Security removed the suspect from the club but then also removed victim's friends. The victim has then left the venue also and once outside the suspect has proceeded to kick victim in the chest. Victim had recently had an operation on her chest and the kick caused damage to the stitch.

A report of crime for Actual Bodily Harm was later submitted. I now submit the incident report and crime report as exhibits AEI/3 and AEI/4 and these can be found at pages 12-19 of the bundle.

At 0523 hours on Sunday 12th September 2021 GMP were contacted by the North West Ambulance Service who told them that a male had stabbed in the back with a knife at the premises.

At 0534 hours we were contacted by the premises who stated that a member of door staff had been stabbed and that the offender had been detained.

At 0526 hours we were contacted by a local resident who stated that there was fighting near to History nightclub and that they could see people dealing drugs and using gas canisters.

At 0528 hours police officers arrived at the location and their police van came under attack from a crowd outside the premises, who were trying to get at the officers inside the vehicle. They requested further patrols urgently and a couple of minutes later further patrols attended at the location and the situation was brought under control.

The officers spoke to the staff and it was established that a male, who they had detained, was ejected from the premises and then refused entry to the premises by door staff. A melee involving numerous people has then ensued and during this an offender has stabbed one of the door staff in the back.

The suspected offender was arrested on suspicion of a Section 18 Wounding with Intent and the victim was taken in an ambulance to hospital.

A report of crime for Section 18 Wounding with Intent was later submitted and I now submit these incident reports and the crime reports and exhibits AEI/5, AEI/6 and AEI/7 and these can be found at pages 20-29 of the bundle. There is mobile phone footage taken from St John's Street by [REDACTED] which captures the time around this incident and the anti-social behaviour that is taking place on the street. This footage is included on exhibit AEI/10 and will be shown by GMP at the hearing.

Following this incident and after being made aware by Manchester City Council colleagues of numerous complaints from local residents about issues outside the premises in recent weeks, a decision was made to make Longworth Street a dedicated deployment during Operation Custodian, which is the weekend city centre operation to safely manage the night time economy. Two police officers were deployed to the location on the night of Saturday 18th September 2021 from 2300 hours.

At 0101 hours on Sunday 19th September 2021 one of the officers deployed on Longworth Street asking for further patrols to attend and stating that approximately 50 people had stormed the premises.

Several Police Officers made to the location and entered the premises and were able to stop some of the people forcing entry but many had already gained entry. The officers went into the main body of the premises and were able to eject some of the people who had forced their way and at 0150 hours the officers withdrew from the premises and left the 2 Custodian officers at the location. There is CCTV footage of the incident which shows that at the time of this incident a number of door staff were not wearing high visibility outer clothing and not all of them were displaying their SIA badges. A copy of the incident report is now submitted as exhibit AEI/8 and this can be found at pages 30-31 of the bundle.

The incident which triggered the Summary Review is as follows:

At 0344 hours the same morning the Custodian officer again radioed through asking for further patrols to make to the premises as there was fighting inside and outside the premises and that a knife had been mentioned. Every free police officer in the city centre went to the location including the Tactical Aid Unit and Firearms such was the scale of the disorder.

Officers were able to bring the situation outside the premises under control initially and 2 males who had been inside the premises were arrested for being in possession of knives.

At 0414 hours officers who had gone inside the premises shouted up for further patrols to make their way inside as the fighting had started again. A police Inspector who was at the scene then had to put a request over the air for officers from neighbouring divisions to attend the location to assist the large number of officers already there as the situation was now getting out of hand. Officers were forced to activate the emergency buttons on their radios and officers from the GMP Serious and Organised Crime Group who had been monitoring the channel attended at the location which is a very rare occurrence indeed due to their covert

style of policing but due to the situation escalating they went to the aid of their colleagues. A police dog handler unit also made their way to the premises with 2 dogs.

CCTV footage shows that a male inside the premises had managed to get a bottle of spirits from the secure fastening on the table and was violently resisting efforts to take it off him. A short time later another fight breaks out in the main body of the club and a male is seen to brandish a metal barrier pole as a weapon before it is taken off him by staff.

At 0427 hours an officer at the scene shouted up to say that the situation was slowly being brought under control and that several arrests had been made.

At 0436 hours the police dog handler shouted up to inform that a can of lager had just been thrown at them.

At 0456 Hours a firearms officer shouted up to say that one of the tyres on their Armed Response vehicle had had its tyre slashed.

I now submit the incident report relating to this incident as exhibits AEI/9 and this can be found at pages 32-33 of the bundle.

There is CCTV footage of these 2 incidents and also some body camera footage which GMP will show at the hearing and I now submit this footage as exhibit AEI/10.

There are 2 photos of the knives recovered from 2 of the customers which I now submit as exhibits AEI/11 and AEI/12

On Monday 20th September 2021 PC 15902 Hammersley applied for a Summary Review of the Premises Licence on the grounds that the Premises were associated with Serious Crime and Serious Disorder. The certificate was signed by Superintendent Fraser.

Interim Steps Hearing

The Interim Steps hearing took place on Wednesday 22nd September. GMP outlined our concerns regarding the premises and showed the CCTV footage to the committee. We asked the committee to suspend the Premises Licence pending the outcome of the full review hearing and, after deliberation; the committee took the decision to suspend the licence until the full review hearing.

Conclusion

Having had chance to review the issues at the premises and, after having a discussions with senior officers within the City of Manchester Division, GMP are of the opinion that the most recent incidents which have occurred at the premises are so serious and required the assistance of so many police officers that the premises poses a genuine risk to the safety of customers and staff. We are extremely concerned by the level of violence displayed both inside and outside the premises and the lack of assistance from some of the security staff. We therefore ask that the premises licence is revoked.

FORM FOR APPLYING FOR A SUMMARY LICENCE REVIEW

[Insert name and address of relevant licensing authority and its reference number (optional)]

Manchester City Council

Application for the review of a premises licence under section 53A of the Licensing Act 2003 (premises associated with serious crime or disorder)

PLEASE READ THE FOLLOWING INSTRUCTIONS FIRST

Before completing this form please read the guidance notes at the end of the form. If you are completing the form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. **Use additional sheets if necessary.**

I Stuart Hammersley [on behalf of] the chief officer of police for the Greater Manchester police area apply for the review of a premises licence under section 53A of the Licensing Act 2003.

1. Premises details:

Postal address of premises, or if none or not known, ordnance survey map reference or description:

History

Longworth St

Post town: Manchester

Post code (if known): **M3 4BQ**

2. Premises licence details:

Name of premises licence holder (if known): Laila Leisure Ltd

Number of premises licence holder (if known): 050572

3. Certificate under section 53A(1)(b) of the Licensing Act 2003 [Please read guidance note 1]:

I confirm that a certificate has been given by a senior member of the police force for the police area above that in his opinion the above premises are associated with serious crime or disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm) ☒

4. Details of association of the above premises with serious crime, serious disorder or both:

[Please read guidance note 2]

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns as to the serious nature of the incident which require immediate resolution. Greater Manchester Police believe that serious crime and serious disorder has occurred at the premises.

Greater Manchester Police (GMP) will say that the premises are associated with serious crime and serious disorder. Serious crime is defined within the statutory guidance as per section 81(3)(a) and (b) of the Regulation of Investigatory Powers Act 2000, which states that the conduct constitutes an offence for which a person 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 years or more. Therefore due to the serious crime and serious disorder which has taken place at the premises GMP feel that it is necessary for an expedited review to take place.

The premises are situated on Longworth Street in the City Centre of Manchester and the premises licence was issued on 02/09/2005. The Premises Licence Holder (PLH) is Laila Leisure Ltd and the Designated Premises Supervisor (DPS) is Frankie Fabowale who has held this position since April 2017.

During the early hours of Sunday 12th September 2021 a male customer was ejected from the premises for disorderly behaviour inside. Shortly after being ejected by security staff the same male has returned to the queue outside the premises and engaged in a further altercation with doorstaff. During this altercation the male offender has stabbed a member of doorstaff in the back. The male was detained by doorstaff and subsequently arrested. A wounding with intent to cause grievous bodily harm crime has been recorded and is currently being investigated.

At approximately 0100hrs on Sunday 19th September 2021 approximately 100 persons who had been queueing on Longworth Street to gain entry to the premises broke through the barriers which were not adequately supervised by doorstaff and 'rushed' the main entrance to the premises. The majority of these persons gained entry to the nightclub upstairs. Security staff required the assistance of police officers to remove the majority of these persons from inside the premises. There were 8 members of doorstaff on duty at this time. A review of CCTV footage highlights that this was not sufficient numbers of staff to suitably control entry of persons into the premises. A number of the doorstaff were not wearing high visibility outer wear nor can SIA licences be seen to be on display for all security staff.

At approximately 0400hrs the same day disorder broke out in the premises. Doorstaff intervened and a number of persons are ejected from the premises. Two males ejected were suspected to be in possession of knives. The males were searched by police and were both found in possession of a knife. Both males were subsequently arrested for possession of an offensive weapon. During the disorder a male customer is in possession of a bottle of spirits that had been removed from its secure fastening to the table. Another male brandishes a metal barrier pole in the middle of the club before it is removed from him by staff.

A crime for violent disorder has been recorded by officers attending the scene inside History who witnessed fighting between customers and doorstaff. Officers attending the scene felt that the management and security at the premises had lost proper control of the venue at this stage. At this stage all of the available police resources for the City Centre were in attendance at the venue. Officers were met with aggression and violence outside the venue as they attempted to clear the area of people in attendance.

The powers under sections 53A to 53C of the 2003 Act, are aimed at tackling serious crime and serious disorder, in particular the use of knives.

The powers contained under section 53A of the Licensing Act 2003 are necessary and proportionate in light of the association that the premises has to serious crime and serious disorder.

In the interim Greater Manchester Police would request that the Licensing Authority consider suspension of the Premises Licence until the full review is heard before the committee. Serious Crime and serious disorder has occurred at the premises and until the Licensing Committee hear the full review and all the evidence that will be disclosed, to allow the premises to continue to operate as a licensed premises gives concerns that further crime will occur and place customers and staff in danger. Greater Manchester Police will say that the licensing objectives of the prevention of crime and disorder can only be promoted if the premises licence was suspended until the final determination of the summary review application.

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns in relation to the violence and serious disorder at the premises.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns as to the serious nature of the incident which require immediate resolution. Greater Manchester Police believe that serious crime and serious disorder has occurred at the premises.
