1. **Introduction**

- 1.1 On 11/08/2021, an application for the grant of a Premises Licence under s17 of the Licensing Act 2003 was made in respect of Gob, 59-61 George Leigh Street, Manchester, M4 5DR in the Ancoats and Beswick ward of Manchester. A location map and photograph of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. **The Application**

- 2.1 A copy of the application is attached at **Appendix 2**.
- 2.2 The applicant is Gob Manchester Limited.
- 2.3 The description of the premises given by the applicant is 'bistro.'
- 2.4 The proposed designated premises supervisor is Rashid Ebrahimkhan.

2.5 **The licensable activities applied for:**

Provision of late night refreshment:

Sun to Thurs 11pm to 11.30pm, Fri to Sat 11pm to midnight

The supply of alcohol for consumption both on and off the premises:

Sun to Thurs 10am to 11pm, Fri to Sat 10am to 11.30pm

Opening hours:

Sun to Thurs 11pm to 11.30pm, Fri to Sat 11pm to midnight

- 2.5.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.
- 2.5.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Appendix 2**.

2.6 **Activities unsuitable for children**

2.6.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

2.7 **Steps to promote the licensing objectives**

2.7.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule.

2.7.2 These steps must be translated into conditions by the licensing authority to be included in any granted premises licence, unless the conditions are modified by the Panel following consideration of relevant representations. These conditions are set out in the Schedule of Conditions at **Appendix 4**.

2.8 **Further documentation accompanying the application**

2.8.1 The applicant has submitted the following documents in support of their application, which are included with the application form at **Appendix 2**:

- Smoking Policy
- Dispersal Policy

3. **Relevant Representations**

3.1 A total of 22 relevant representations were received in respect of the application (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these representations will be available to the Panel at the hearing.

Responsible Authorities:

- Greater Manchester Police;
- MCC Licensing and Out of Hours Compliance Team;

Other Persons:

- Councillor Hutchinson;
- Residents (x19)

3.2 Summary of the representations:

Party	Grounds of representation	Recommends
GMP	The proximity of the premises to residential properties is likely to cause a disturbance to residents, particularly were customers to use any outdoor seating area or were standing outside the premises smoking.	Refuse in current form
Licensing and Out of Hours	The LOOH team have concerns around the use of the outside seating area proposed on George Leigh Street, in particular the impact	Grant with conditions

Compliance	from noise generated by customers disturbing the surrounding residents, and have suggested a number of conditions which would mitigate these concerns.	
Councillor Hutchinson	<ul style="list-style-type: none"> • This development will undoubtedly cause a public nuisance in the form of noise pollution to the residents who live directly above it. • Victoria Square is a listed building and home to many residents, almost all of whom are old or elderly many of whom have carers. The Square is heated in such a way that individual residents do not have access to their own heating controls and therefore the only way for them to reduce the temperature particularly during the hot summer months is to open the windows. However, opening the windows puts them at risk of noise nuisance. • The steps that the applicant has offered to take to reduce noise nuisance these are not practicable as once people have imbibed alcohol they are much less likely to leave the area promptly and quietly. 	Refuse
Residents in support	<ul style="list-style-type: none"> • As a dry profit-lead business, this is not the sort of alcohol license which will cause loitering, noise, or late-night disturbances. • The granting of the licence would make the area feel safer and less intimidating to walk through (as opposed to an empty unit), especially as the premises would have CCTV. • Currently the lack of an occupant in the unit provides opportunity for people to convene on the street outside which can encourage antisocial behaviour. A subdued and upscale establishment such as the one proposed could curb this sort of behaviour. 	Grant

<p>Residents against</p>	<ul style="list-style-type: none"> • The granting of the licence would lead to noise nuisance for nearby residents (from customers, increased traffic, music) and also nuisance from smells emanating from the premises. This would be exacerbated by the fact that many nearby residents have to keep their windows open due to health issues. • The granting of this licence is likely to lead to disorderly behaviour from customers who have consumed alcohol and would exacerbate existing issues to do with antisocial behaviour in the area. • The pavement outside the premises is very narrow and if there were to be customers standing outside the premises this would make it difficult for mobility scooters to pass safely. 	<p>Refuse</p>

3.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 4**.

3.4 Agreements on conditions have been reached with Licensing & Out of Hours.

4. **Key Policies and Considerations**

4.1 **Legal Considerations**

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 **New Information**

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 **Hearsay Evidence**

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 **The Secretary of State's Guidance to the Licensing Act 2003**

- 4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

4.5 **Manchester Statement of Licensing Policy**

- 4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 4.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Ancoats and New Islington

The effect of the special policy is that the Council will generally only permit licensable activities for premises in the Ancoats and New Islington Regeneration Framework area until the terminal hours set out below whenever it receives relevant representation, unless an applicant can demonstrate there are exceptional circumstance to justify a departure from the policy in the individual circumstances:

11pm (Sunday to Thursday)

12am midnight (Friday, Saturday)

The special policy applies to on and off sales of alcohol. Where alcohol is sold for consumption on the premises, our policy will be to generally provide 30 minutes 'drinking up' time between the terminal hour for the sale of alcohol and the closing time of the premises.

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Evidence of pre-existing problems in the area
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS5 Prevent on-street consumption of alcohol

- MS8 Prevent noise nuisance from the premises
MS9 Effectively manage exterior spaces (e.g. beer gardens, smoking areas, table and chair areas on the highway)

Conclusion

- 4.6 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 4.7 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 4.8 Having regard to the representations, the Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to:
 - i. the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate, and
 - ii. any mandatory conditions that must be included in the licence;
 - b) To exclude from the scope of the licence any of the licensable activities to which the application relates;
 - c) To refuse to specify the person proposed in the application as the designated premises supervisor;
 - d) To reject the application.
- 4.9 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 4.10 All licensing determinations should be considered on the individual merits of the application.
- 4.11 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 4.12 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.

4.13 **The Panel is asked to determine the application.**
