1. Introduction

- 1.1 On 18/10/2018, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of COSMO, Ground Floor, Maybrook House, 40 Blackfriars Street, Manchester, M3 2EG in the Deansgate ward of Manchester. A location map of the premises is attached at Annex 1.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. Current Licence

- 2.1 **The premises licence holder is Central Land Investments Ltd and a copy of the current licence is attached at Annex 5.**

3. The Application

- 3.1 **A copy of the application is attached at Annex 2.**

- 3.2 **The variation is:**

To remove conditions 9 & 15 from Annex 3 of the premises licence as the nature of the business has changed.

Condition 9:

Any externally promoted event or large party booking the Designated Premises Supervisor to contact the City Centre Safe office at Bootle Street Police Station at least 28 days prior to the event or as soon as practicable so that the event can be properly risk assessed.

Condition 15:

With the exception of the ground floor area, alcohol sales shall be ancillary to food sales

- 3.3 **Activities unsuitable for children**

3.3.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

3.4 **Steps to promote the licensing objectives**

3.4.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule.

3.4.2 These steps must be translated into conditions by the licensing authority to be included in any granted premises licence, unless the conditions are modified by the Panel following consideration of relevant representations. These conditions are set out in the Schedule of Conditions at Annex 3.

4. **Relevant Representations**

4.1 One relevant representation was received in respect of the application (Annex 4).

Responsible Authorities:

- MCC Licensing and Out of Hours Compliance Team;

4.2 Summary of the representations:

Party	Grounds of representation	Recommends
Licensing and Out of Hours Compliance	The removal of Condition 15 could undermine the licensing objections if the premises changed its use from a buffet style restaurant. Current conditions on the licence would not be sufficient in upholding licensing objectives if the premises changed its use to a vertical drinking type establishment.	Grant removal of Condition 9 Refuse removal of Condition 15

4.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at Annex 3.

5. **Key Policies and Considerations**

5.1 **Legal Considerations**

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 **New Information**

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 **Hearsay Evidence**

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 **The Secretary of State's Guidance to the Licensing Act 2003**

5.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

5.5.3 Section 4 of the Policy (Operation of the Policy) sets out that an opposed application that complies with the Policy will not necessarily be granted, nor will an opposed application that does not comply with it necessarily be refused.

- 5.5.4 Where there is objection to an operating schedule that departs from the Policy, the Panel hearing an opposed application will normally expect to be given a good reason for the departure if it is to be asked to make an exception to the Policy.
- 5.5.5 The licensing authority will not interfere with an operating schedule that does not comply with the Policy where the steps proposed are sufficient to meet the licensing objectives in the individual circumstances of the case.
- 5.5.6 There are a number of references in the Policy to the licensing authority's expectations of applicants. The licensing authority will not apply the Policy rigidly, but will always have regard to the merits of the case with a view to promoting the licensing objectives.
- 5.5.7 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Identified risk factors specific to the licensed premises

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

MS2 Effective general management of the premises

MS3 Responsible promotion and sale of alcohol

6. Conclusion

6.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

6.2 In considering the matter, the Committee should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.

6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:

- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;

b) To reject the whole or part of the application

- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 The Panel is asked to determine the application.
