Objectives	<ol style="list-style-type: none"> 1. To develop a vision and strategy for the management of a network of centres that is forward-looking, allowing vital and viable centres to emerge, develop, improve and transform, and to manage change so that centre provision reflects demand over the next 20 years. To map underserved communities – areas of the city where people do not currently have access to functional centres and to develop a methodology for forecasting the future demand and location of new centres 2. To develop guidance, describing how centres of various sizes can emerge, develop and improve/transform 3. To improve performance and build place management capacity in 4 existing centres (Chorlton, Northenden, Harpurhey and Gorton) 4. To establish activity (footfall) as a key performance indicator for planning and management. To scrutinise footfall analysis of 10 centres (Chorlton, Northenden, Harpurhey, Gorton, Victoria Avenue, Rusholme, Cheetham Hill, Levenshulme, Fallowfield, Withington) 5. Recommend 4 policy pilots to test out more transformative approaches to centre development and improvement. What can Manchester City Council do to most effectively enhance a centre's performance?
Key Lines of Enquiry	<ol style="list-style-type: none"> 1. To apply learnings from the Institute of Place Management's High Street UK 2020 project, identifying key actions that Councils can lead to support centres. 2. To analyse current centre performance to ensure that policy can take account of specific centre characteristics. 3. To review development, growth and investment proposals across the city to inform future priorities for centre policy. 4. To map the Council policies which impact on district centres.
Operation	This subgroup will report its findings to the Economy Scrutiny Committee by submitting minutes to the Committee. The Committee will be asked to endorse any recommendations from the Subgroup.
