Subject: Five Guys, 17 Piccadilly, Manchester

Dear All,

Apologies for the delay in confirming this, but I now have everyone available for a call at 6pm this evening.

In attendance from our side will be myself ([REDACTED] is now on holiday this week) as well as [REDACTED] Five Guys Property Director and also [REDACTED] District Manager for this area.

I will separately send out an invite to the meeting and look forward to seeing you all later.

Please let me know if there are any last-minute issues and I will endeavour to rearrange if that is the case.

Best regards.

Thanks for your mail. We are happy to attend a zoom meeting.

A number of the residents have already replied with a date/time suggestion (Monday @ 6pm) and we are happy with this if it can be arranged

Thanks

Dear [REDACTED]

I write further to my email below and would like to invite you to attend a virtual meeting via Zoom or a similar platform to discuss your concerns and see if an agreement can be reached.

I would be grateful if you could confirm if you would be willing to attend such a meeting and if so are there any dates / times to avoid for you.

Many Thanks
