Name of Premises	Beehouse
Address	Arch 2, Deansgate Locks, Whitworth Street West, Manchester, M1 5LH

Representation
Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.
Licensing and out of hours team (LOOHT) have assessed the likely impact of granting the TEN, taking into account a numbers of factors, including, the nature of the area in which the premises is located, the hours applied for and any potential risk that the granting of this TEN could undermine the licensing objectives. The applicant has applied to host a charity event that is organised by polish people all over world on last Sun of Jan, to which they want Children to during event we will collect money, hold the auctions, there will be live music performance, entertainment for kids (face painting, games etc.), hot and cold snacks served. It is an event where people attend with whole families. LOOH feel that the location of the premises for the event, which is located in the area referred to as Deansgate locks, which consist of 5 nightclubs by a canal, is not the ideal place to hold a family event with children. During a Sunday day (the day applied for) the nightclubs are mainly acting bars attracting people out to eat, as the evening sets in however the atmosphere changes to people out for a good time, With potentially hundreds of people on the locks early evening moving between or, to the venues. Deansgate Locks is not a location associated with families, the applicant has not expressed how they intend to uphold the licensing objective of protecting children from harm. Given the information outlined above LOOH ask that the application be refused.
Recommendation: Refuse Application
