Hello

I would like to object to the proposed variation of premises licensing 262411CT1 for Southwest Manchester Cricket Club. [redacted] I am frequently disturbed by their patrons and events whilst trying to sleep and to add outdoor licensing would make this problem many times worse.

I chose this street on which to buy a house for a quiet experience without much footfall, so to have the addition of open-air drinking added near to my house will not just further disturb the peace, it will also lower the value of my property should I seek to leave based on this additional noise.

I hope this adequately conveys the significant negative impact that I feel this will have on the residents of the street.

[redacted]

We at [REDACTED] would like to lodge an objection to the proposed extension to the licence held by the cricket club. Noise from the club has been a recurring and growing nuisance. The club is closely surrounded by residential buildings and the noise carries a considerable distance, particularly at night. To extend late night drinking to outside areas would increase considerably the public nuisance to the area.
