1. Monitoring Previous Recommendations

This section of the report contains recommendations made by the Committee and responses to them indicating whether the recommendation will be implemented, and if it will be, how this will be done.

Items highlighted in grey have been actioned and will be removed from future reports.

Date	Item	Recommendation	Action	Contact Officer
7 Dec 2021	RGSC/21/57 Council Housing Stock - Governance Arrangements	<p>Requests Officers and the appropriate Executive Member(s) re-consider the proposed makeup of the Board in light of the comments and concerns raised and in doing so recommends that:-</p> <ul style="list-style-type: none">• the PFI stock is explicitly removed from the Terms of Reference;• the maximum term of office for both Elected Members and the co-opted residents from the Council's housing stock should be set at a maximum of six years, that there should be parity between Members and residents, and that consideration be given to staggering the lengths of membership of the Board so that there is progressive rolling change in personnel over time;• the terms of reference cover how conflicts of interest for Elected Members are to be addressed;• the terms of reference explicitly refer to gender balance and ensuring diversity and protected characteristics are proportionately reflected across the membership of the Board;• the terms of reference identify which Scrutiny	A report in response to these recommendations is included on the agenda for the meeting of 8 March 2022.	David Ashmore Cllr Akbar

		<p>Committee(s) will be responsible for scrutinising the work of the Board.</p> <ul style="list-style-type: none"> • the terms of reference refer to the conurbation of Northwards Housing Stock rather than North Manchester, in order to truly reflect the location of all Northwards residents; • the terms of reference are explicit insofar as the Board will act as an advisory body and not a governance and decision-making body; and • consideration be given to a minimum number of co-opted non-resident members to be appointed, and a strategy is drawn up for timely recruitment of suitably qualified independent members. 		
8 February 2022	RGSS/22/11	<p>Recommends that a briefing note be circulated to members of the Committee that describes the discussions and agreements reached regarding staff health and safety considerations and mobile working.</p>	<p>A response to this recommendation has been requested and will be circulated to Members.</p>	Chris Wanley

2. Key Decisions

The Council is required to publish details of key decisions that will be taken at least 28 days before the decision is due to be taken. Details of key decisions that are due to be taken are published on a monthly basis in the Register of Key Decisions.

A key decision, as defined in the Council's Constitution is an executive decision, which is likely:

- To result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates, or
- To be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the city.

The Council Constitution defines 'significant' as being expenditure or savings (including the loss of income or capital receipts) in excess of £500k, providing that is not more than 10% of the gross operating expenditure for any budget heading in the in the Council's Revenue Budget Book, and subject to other defined exceptions.

An extract of the most recent Register of Key Decisions, published on **28 February 2022**, containing details of the decisions under the Committee's remit is included below. This is to keep members informed of what decisions are being taken and, where appropriate, include in the work programme of the Committee.
