

**Manchester City Council
Report for Information**

Report to: Health Scrutiny Committee – 9 March 2022

Subject: Living Safely and Fairly with Covid

Report of: Director of Public Health, Manchester City Council
Medical Director, Manchester Health and Care Commissioning

Summary

On Monday 21 February the Prime Minister announced the publication of the National Living Safely with Covid Plan.

Over the past few weeks, the Director of Public Health, council colleagues and other partners have been developing the local Manchester Living Fairly and Safely with Covid draft plan. This will be circulated to the Committee shortly for comments before it goes to the Council Executive on 16 March.

In advance of the meeting the Director of Public Health and Medical Director, Manchester Health and Care Commissioning, will also circulate their usual summary presentation on the latest available data relating to Manchester COVID-19 rates and the Manchester Vaccination Programme. At the meeting Members will have the opportunity to ask any questions.

Recommendations

The Committee are asked to:

1. Comment on the draft Manchester Living Safely and Fairly with Covid Plan.
 2. Note the presentation.

Wards Affected: All

Environmental Impact Assessment - the impact of the issues addressed in this report on achieving the zero-carbon target for the city

Manchester Strategy outcomes	Summary of how this report aligns to the OMS
A thriving and sustainable city: supporting a diverse and distinctive economy that creates jobs and opportunities	This unprecedented national and international crisis impacts on all areas of our city. The 'Our Manchester' approach has underpinned the planning and delivery of our response, working in partnership and identifying innovative ways to continue to deliver services and to establish new services as quickly as possible to support the most vulnerable in our city
A highly skilled city: world class and home grown talent sustaining the city's economic success	
A progressive and equitable city: making a positive contribution by unlocking the potential of our communities	
A liveable and low carbon city: a destination of choice to live, visit, work	
A connected city: world class infrastructure and connectivity to drive growth
