## 1. **Introduction**

- 1.1 On 02/02/2022, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of Wanago, 194-196 Burton Road, Manchester, M20 1LH in the Didsbury West ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

## 2. **Current Licence**

- 2.1 The premises licence holder is Nirmal Karki and a copy of the current licence is attached at **Appendix 2**.

## 3. **The Application**

- 3.1 A copy of the application is attached at **Appendix 3**.

- 3.2 The variation is:

To extend the bar area in accordance with the plan titled 'Plan – February 2022'. There are no changes to the footprint of the premises.

To amend the hours for sale of alcohol, live music, recorded music and performances of dance to 11:00 until midnight Monday to Wednesday and 11:00 until 02:00 Thursday to Sunday.

To amend the hours for late night refreshment until 02:30 Thursday to Sunday. There are no changes to late night refreshments Monday to Wednesday.

To amend the operating hours to 11:00 until 00:30 Monday to Wednesday and 11:00 until 02:30 Thursday to Sunday.

To add the following conditions to the operating schedule: 'SIA registered door staff shall be employed at the premises, in accordance with a risk assessment, to be carried out by the DPS. When employed, door staff will wear high visibility

armbands. When employed, a register of those door staff employed shall be maintained at the premises and shall include: (i) the number of door staff on duty; (ii) the identity of each member of door staff; (iii) the times the door staff are on duty.'

To permit off sales of alcohol.

To include non-standard timings for all licensable activities: 'From the start time on New Year's Eve to the terminal hour for New Year's Day.' and 'On the day that British Summer Time commences, one additional hour to disapply its effect.'

3.2.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.

3.2.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Appendix 3**.

### 3.3 **Activities unsuitable for children**

3.3.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

### 3.4 **Steps to promote the licensing objectives**

3.4.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule.

3.4.2 These steps must be translated into conditions by the licensing authority to be included in any granted premises licence, unless the conditions are modified by the Panel following consideration of relevant representations. These conditions are set out in the Schedule of Conditions at **Appendix 5**.

## 4. **Relevant Representations**

4.1 A total of 11 relevant representations were received in respect of the application (**Appendix 4**). The personal details of all members of the public have been redacted. Original copies of these representation will be available to the Committee at the hearing.

### Responsible Authorities:

- MCC Licensing and Out of Hours Compliance Team

### Other Persons:

- Councillor Leech;
- West Didsbury Residents Association;
- West Didsbury Village Management; and
- Residents (x7).

4.2 Summary of the representations:

Party	Grounds of representation	Recommends
<p><b><i>*WITHDRAWN SUBJECT TO AGREEMENT*</i></b></p> <p><b>Licensing and Out of Hours Compliance</b></p>	<p>LOOH had concerns that the prevention of public nuisance objective would be undermined if the proposed terminal hour was granted as the premises are situated in a heavily residential area and there are already a number of issues to do with loud music and dispersal in this area. LOOH also had concerns that the addition of off sales could mean customers would be likely to drink and smoke outside the premises and potentially linger on the streets after closing. To address these concerns, LOOH proposed the addition of several conditions and asked that the proposed terminal hour for licensable activities be reduced to midnight Sun-Thurs and half past midnight Fri-Sat.</p>	<p>Grant with conditions and reduced hours</p>
<p><b>Residents x7</b></p>	<p>A 2:30am closing time would have an impact on the customer journey of someone visiting Burton Road, with people finding the latest premises to find food/alcohol. This would cause this destination to be seen as a late drinking premises. Local GMP neighbourhood police do not have the resources to deal with this, thus crime and disorder could be a problem.</p> <p>Off sales of alcohol could lead to people drinking in the streets, which are mostly residential surrounding the premises, leading to issues of both public nuisance and public safety.</p> <p>There is a primary school very close to the premises – there are already issues with broken glass and abandoned alcohol along</p>	<p>Refuse</p>

	Burton Road which would only be exacerbated.	
<b>Didsbury West Ward Councillor</b>	There is already a problem with noise and disturbance caused by late night drinking establishments, the granting of this licence would exacerbate this particularly if off sales were allowed.	Refuse
<b>West Didsbury Residents Association</b>	WDRA wish to oppose sales of alcohol for consumption “off the premises” later than 00:30 on the grounds that such late night sales are likely to encourage public disorder associated with street consumption of alcohol. Sales would also encourage public nuisance due to noise affecting nearby houses and flats.  It seems to WDRA that given the proposal to extend the bar area, late night refreshment until 02:30 would be unacceptable because their provision would provide cover for consumption of alcohol and consequently add to the likely public noise nuisance.	Refuse
<b>Residents Group</b>	The extension of hours applied for would change the premises from a restaurant into a late night bar/club, which could lead to issues of public disorder and crime as well as noise pollution, which is already a problem in the area.	Refuse

4.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 5**.

4.4 Agreements on conditions have been reached with Licensing and Out of Hours.

## 5. **Key Policies and Considerations**

### 5.1 **Legal Considerations**

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

## 5.2 **New Information**

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

## 5.3 **Hearsay Evidence**

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

## 5.4 **The Secretary of State's Guidance to the Licensing Act 2003**

5.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

## 5.5 **Manchester Statement of Licensing Policy**

5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

5.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

***Section 6: What we aim to encourage***

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

***Section 7: Local factors***

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Evidence of pre-existing problems in the area
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance
- Ability to clean and maintain the street scene

***Section 8: Manchester's standards to promote the licensing objectives***

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and

the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS1 Implement effective security measures at the premises
- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS5 Prevent on-street consumption of alcohol
- MS6 Provide a Duty of Care for intoxicated or vulnerable customers and medical emergencies
- MS8 Prevent noise nuisance from the premises
- MS10 Operate effective cleansing arrangements, including ensuring the premises and surrounding area are kept clean and free of litter, and adequate arrangements for the secure and responsible storage of refuse

## 6. **Conclusion**

- 6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
  - public safety;
  - the prevention of public nuisance; and
  - the protection of children from harm.
- 6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
  - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to

what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.

6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.

6.9 **The Panel is asked to determine the application.**
