ESC/22/18 Update on COVID-19 Activity

The Committee considered a report of the Strategic Director, Growth and Development, which provided a further update of the current situation in the city in relation to COVID-19 and an update on the work progressing in Manchester in relation to areas within the remit of the Committee.

In response to a comment from a Member regarding the announcements from central government and the support to relieve the increased cost of living, the Leader advised that Manchester Council had always responded quickly to ensure that any support that was made available was directed to residents and local businesses. She stated that further funding was required from Government to make up the funding that had been removed over a number of years and the Council would continue to lobby the Treasury for additional funding to support local residents.

The Director of Inclusive Economy stated that information on the various sources of advice and support services were available on the Council's website.

Decision

The Committee notes the report.

ESC/22/19 Economy Dashboard

The Committee considered a report of the Head of Performance, Research & Intelligence that presented the economy dashboard, a document that contains a range of data and intelligence covering key aspects of Manchester's economy.

The Leader proposed that the information that was contained within the COVID sit rep item would be incorporated into the Dashboard as part of the wider reporting. The Committee endorsed this proposal.
