Good morning

I refer to the application to vary the licensing hours of the above property. The planning permission, reference 087381/FU/2008/S1, that allows the premises to be used as a hot food take away required the premises to close at 11.30pm seven days a week. In order to extend the opening hours they will need planning permission to vary the hours condition. The Planning Service has concerns about extending the hours as the property is part of a mixed development with residential directly above.
