Dear Premises Licensing

I am making this representation on behalf of the three Chorlton Park Councillors.

We believe that an extension from the current 11pm closure until 3am, is unacceptable.

This is a small parade of shops surrounded by residential properties. There are flats immediately above all the premises in this parade. There are also flats and houses on either side of the parade.

Unfortunately, experience tells us that late night takeaways draw customers in and create unwanted noise and disturbance to neighbouring households. This would undoubtedly be the case here, creating a serious threat to the peace and quiet of residents.

There is the noise generated by cars pulling up and leaving and customers gathering in the street.

In the interests of maintaining the amenity of residents in close proximity to this takeaway we would like to see the application refused.
