

# Manchester's Post-16 Pathway Partnership Mission Statement & Vision

A co-produced, collaborative approach to meeting the educational and employment needs of post-16 young people in Manchester.

# Mission Statement

Our Post-16 Education and Training Partnership will work in collaboration with each other and the local authority to ensure that there are consistently strong academic, technical, training and engagement pathways in high quality settings across Manchester that provide for our young people, meeting the socio-economic needs of the city.

# Vision for the future of post 16 Education & Training in Manchester

- The **offer** is exciting, energising and empowering for our young people.
- We **commit to working together** to provide a transformational education and training offer
- There are **opportunities** for all to develop the skills they need to fulfil their ambition .
- There are **meaningful encounters** with providers and employers and **bespoke careers advice**.
- There is a **seamless transition** to post-16 destinations, with particular focus on young people identified most at risk of becoming NEET.
- We **listen** to our young people, learning from their experiences to help improve and shape the city's post-16 offer.
- We **share** practice from our own organisations, working together and with the local authority to find solutions to common challenges.
