Business Operation

- Stocks (alcohol) will be purchased from major supermarkets (Costco, Asda, Tesco & Morrison) in reasonable quantities and kept in a designated area (behind closed doors) at the address stated on the application.
- The stocks (bottled drinks only) will be then displayed for sale via shopify (in-progress to set up) & our social media accounts (Instagram, Snapchat and Facebook).
- Then whenever a customer places an order via our online platform Shopify, text or telephone order, the product will then be taken from storage to be delivered.

It will be clearly stated across all our platforms, Challenge 25 will be carried out during delivery, including orders over phone or text, therefore we will not be making sales to anyone unable to prove that they are over 18. This will be stated in our policy as well.

- A payment will be expected from the customer when the order is placed on shopify. Once order is placed, the delivery will be undertaken by ourselves(Abssco Ltd), using a vehicle.
- Upon arrival at the delivery address, challenge 25 will be carried out on anyone who looks under 25 before the order is given to the customer, and in events where the customer fails challenge 25, the sale of alcohol will not take place, a refund will be given to the customer minus delivery cost.
If there's no issues with challenge 25 then the product will be given to the customer and that completes our operational cycle.

Promoting Licensing Objectives

We already covered a few of these topics within our business operation.

Which are -

- Identification and refusal of underage sales - challenge 25 will be carried out on anyone who looks under 25 before the order is given to the customer. Furthermore, we will not make sales to any individual that we suspect has had way too many drinks.
- Age-restricted products - All products are sold to individuals aged 18 and above only.

- Any access restrictions to the premises by children - there's no under age on premises, besides that, our products are kept behind closed doors and there's no drinking or partying on premises.

As a business, we will frequently review our operations, ensuring that we are incorporating an approach that increases our awareness in order to mitigate potential risks and work towards minimising possible disturbances. Below are areas that will be considered.

Prevention of Crime & Disorder

- Breaches of licensing conditions, authorised activities or authorised hours - we intend to trade within the agreed hours, with no sales outside the operational time frame.
- a criminal offence - We intend to operate with integrity, therefore, We intend to operate with integrity, therefore, we will not sell alcohol to anyone underage. We will enforce this by making it mandatory for everyone to present an ID at the time of delivery.
- anti-social behaviour - we believe this won't apply to us, as we will only use the premises for storage and I will be the only one to pick up the drinks from the premises, we won't have foot traffic from delivery drivers or customers visiting the premises.

Public Safety

- overcrowding - our operation will not lead to any risk of violence or compromise the safety of people within the premises.
- fire issues - the premises already have fire safety regulations in place and since it's only us that will have access to the premises, it will be easy to evacuate if required, which of course will be reported to the fire services first, in any event of a fire.
- anyone being hurt or having an accident in licensed premises (who should seek medical care and report to the relevant authorities). - As stated before we won't have anyone visitors and the drinks we'll be handled and stored properly so we believe this will reduce the risk of someone being hurt or injured. But we will have a First Aid kit on the property and we will contact emergency services if required. We will also have an incident report and inform any relevant authorities.

Prevention of Public Nuisance

- Noise - the premises will not be used for any gathering, events or other entertainment purposes.
- Odour - Our stocks will be kept behind a closed door, which will be maintained at all times.
- Litter, waste and street fouling - As drinks will be sold just as we've bought them from our suppliers(superstores), we do not expect any usual amount of litter or street fouling as the products will be delivered straight to customers upon order.

- Light Pollution - Our operation will cause almost no pollution. We will do our part by making sure we recycle properly and going forward looking at better alternative forms of delivery, such as electric or hybrid cars and bicycles.

The Protection of Children from Harm

As we intend to use the premises for no other activity than storage, there will be no children on the premises unsupervised at all times.
