Dear Sir Madam,

I am emailing you to advise that the applicant has proposed amendments to their application to reduce the timings for licensable activities. The applicant has also stated that they no longer require the licensable activity Late night refreshment and Live Music.

The applicant has proposed the following amendments:

1. The sale of alcohol between 12pm to 12am
2. The provision of recorded music only from 12pm to 12am
3. The opening hours of the premises will be 12pm to 12am

The applicant has also proposed the Additional conditions below:

- Staff will be trained and will follow guidelines in conducting sales of alcohol.
- Signs about noise reduction and zero smoking tolerance will be put up
- CCTV will be in place
- Security staff will be employed if needed

The applicant has also agreed the following conditions with the Trading standards team:

1. The Challenge 25 scheme must be operated to ensure that any person who appears to be under the age of 25 shall provide documented proof that he/she is over 18 years of age. Proof of age shall only comprise a passport, photo card driving licence, an HM Forces warrant card, or a card bearing the PASS hologram.
2. All staff engaged in the sale of alcohol will be trained with regards to the Challenge 25 policy and sales by proxy. This training will be documented, and training should be refreshed at no greater than 6 monthly Intervals.

3. The Premises Licence Holder will ensure that signage demonstrating the Challenge 25 policy as well as selling alcohol to children by proxy are placed at the entrance to the premises as well as being displayed in all areas serving alcohol.
  
4. A log shall be kept and record all instances when alcohol has been refused for the reasons that the person(s) is, or appear to be, under 18 years of age. The log shall record the date and time of the refusal and the name of the member of staff who refused the sale. The log will be available on request by the police or an authorised officer of Manchester City Council. The log shall be checked on a regular basis by the Designated Premises Supervisor to ensure that it is being used by staff and each check shall be recorded in the log.
  
5. The Premise Licence Holder will also ensure regular checks are made around the inside and outside of the premises for underage persons encouraging adults to buy alcohol for them.

Based on the amendments proposed and the conditions stated/agreed, can you please confirm **asap** if this has alleviated your concerns and that your objection is now withdrawn.

Kind regards

Ashia
