Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence in relation to the above premises on the grounds of Prevention of Crime and Disorder and the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The operating schedule which accompanies the application offers very little in terms of enforceable conditions. The conditions that have been offered are very vague and generic which gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated.

The likely effect of the grant of the Premises Licence with such a scant operating schedule is that all 4 of the Licensing Objectives will be undermined.

We therefore ask that this application is refused.

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours team (LOOH) have assessed the likely impact of the granting of a premises licence of this application taking into account a number of factors, including the nature of the area in which the premises is located and any potential risk the granting of this licence could lead to undermining the four licensing objectives.

The LOOH team have also considered Manchester City Council's Statement of Licensing Policy 2021-2026, with particular reference to 7 - Local Factors and 8 - Manchester's standards to promote the licensing objectives.

The premises is located on Peter Street, the basement and mezzanine/first floor is Asha's restaurant which has a premises licence, the floors above are a new hotel. This application is for a licence to cover the whole of the premises.

The application requests recorded music and supply of alcohol 24 hours per day, Late Night Refreshment from 23.00-05.00 and that the premises are open to the public 24 hours each day. The premises is on one of the busiest streets in Manchester's night time economy. The applicant offers very few conditions in their application, and those offered would not enable them to uphold the licensing objectives.

LOOH are not satisfied that the conditions offered are sufficient to uphold the four licensing objectives and have little, if any, regard to the Statement of Licensing Policy or any serious consideration to the impact that the grant of this licence would have on the local area.

Recommendation: Refuse Application
