Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
