

# Decision taken

Made by an Executive Member or Chief Officer

**MANCHESTER  
CITY COUNCIL**

## Notice of Decision Made

Decision maker	Strategic Director Neighbourhoods & Deputy City Treasurer
Date of decision	10 March 2023
What is the decision?	Appointment of a provider to undertake maintenance, refurbishment and replacement works across 4nr Bridges: Lot 1: Street Union Bridge Maintenance Scheme Lot 2: Hoyle Street Parapet Replacement Scheme Lot 3: Boggart Bridge Retaining Wall Refurbishment Scheme Lot 4: Camelia Road Retaining Wall Replacement Scheme
Reasons for the decision (but excluding any exempt or confidential information)	Open tender process was conducted, the bidder with the highest total score from a combination of Price, Quality, Social Value and Carbon reduction criteria was selected.
Alternatives considered and rejected	<p>Consideration was taken to appoint via the Bolton's framework for highways work: TC005, however it was decided that due to the multiple works that opening to the wider market would enable more competition, with additional bids, and a chance for additional value for money for Manchester City Council.</p> <p>As part of the highway maintenance pipeline programme Highways and Procurement consider and explore the most cost effective and compliant route to market for each highway commission.</p> <p>Due to the specialist nature of this work as well as capacity and skill set challenges which exist within the 'In House Highway Maintenance service' which operate out of Hooper Street Depot, we are unable to go in-house for this work. In addition, they had to decline this work to procure through their supply chain due to them re procuring their TC056 framework.</p>
Interests Declared
