OR – if not published in the Register of Key Decisions	
Reasons for special urgency such that this was not published in a Register of Key Decisions	AFPAF runs from 6 March 2023 to 31 May 2023 with final payments made by 30 June 2023. Funding was confirmed by the Department for Business, Energy and Industrial Strategy on 24 February 2023. The timing of government confirmation of the scheme means that if the scheme were to progress through the standard Key Decision process there would be a delay in the provision of critical support to Manchester residents.
