[Please read guidance note 2]

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns as to the serious nature of the incident which require immediate resolution. Greater Manchester Police believe that serious crime has occurred at the premises.

Greater Manchester Police (GMP) will say that the premises are associated with serious crime. Serious crime is defined within the statutory guidance as per section 81(3)(a) and (b) of the Regulation of Investigatory Powers Act 2000, which states that the conduct constitutes an offence for which a person 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 years or more. Therefore due to the serious crime which has taken place at the premises GMP feel that it is necessary for an expedited review to take place.

The premises are situated on Sedgeford Road in the Hapurhey of Manchester and the premises licence was issued on 04/09/2005. The Premises Licence Holder (PLH) and the Designated Premises Supervisor (DPS) is Janice Flint who was the DPS back in 2005 until 2006 and took up this position again on the 8th July 2021.

The incident which has triggered this summary review occurred on the afternoon of Sunday 12th March 2023. T [REDACTED] [REDACTED] were connected with a serious incident of violence that has involved in the discharge of a firearm & the use of weapons. It is believed that the persons involved in this serious incident are connected to the Queens Hotel and GMP has serious concerns that there is a risk of further recriminating actions which places members of the community at an immediate risk of harm.

In the Section 182 Guidance it makes specific reference to summary reviews stating that the powers are aimed at tackling serious crime and serious disorder, in particular (but not exclusively) the use of guns and knives. The powers complement the general procedures in the 2003 Act for tackling crime and disorder associated with licensed premises and should be reserved for the most serious matters.

The powers contained under Section 53A of the Licenising Act 2003 are necessary and proportionate in light of the association that the premises has to serious crime.

In the interim review Greater Manchester Police would request that the Licensing Authority consider suspension of the Premise Licence until the full review is heard before the committee. Serious crime and Disorder has occurred that is attributed to the premise and until the Licensing Committee hear the full review and all the evidence that will be disclosed, to allow the premise to continue to operate as a licensed premises gives serious concern that further violence will occur at the premises and the licensing objectives of the Prevention of Crime and Disorder and Public Saffety can only be promoted if the premises licence was suspended until the final determinatonof the
