Fwd: [REDACTED] litter in Fallowfield

FYI

Take away litter in Fallowfield is as bad as ever and a constant problem. Thought I'd send this over so that you can see that the CIP is so important. We need it upheld more than ever.

Also attached are photos of the container planters we look after, they just get used as litter bins. It's very demoralising.

Hi Fraser

I've scrolled through my phone and seems I can't help myself taking them.. here are a selection from walks around Fallowfield streets, all taken this year.

I hope some will be useful.
