Dear Madam,

Please accept this letter as formal notification that Greater Manchester Police wish to object, under Section 104(2) of the Licensing Act 2003, to the **TEMPORARY EVENT NOTICE** detailed below, as we are satisfied that granting the application under these circumstances would undermine the Licensing Objectives.

<b>PREMISES NAME:</b>	<b>NIAMOS</b>
<b>ADDRESS:</b>	Chichester Road Hulme Manchester M15 5EU
<b>DATE OF EVENT:</b>	24/06/23 – 25/06/23
<b>TIME OF EVENT:</b>	2230– 0230 hrs

GMP objects to the grant of this Temporary Event Notice on the grounds of the Prevention of Crime and Disorder, the Prevention of Public Nuisance and Public Safety.

The application is seeking to allow the premises to host a Hungarian dance house event from 10.30pm until 2.30am for up to 200 people.

GMP have been made aware that recent events held at these premises have caused severe disruption and disturbance to local residents who have escalated their complaints to the local councillors.

Specific issues that they have raised are as follows:

## GREATER MANCHESTER POLICE

1. Illegal road closure of Warwick Street witnessed by a local councillor, a GMP officer and residents.
2. Doors to the venue open with loud music and bass of equipment affecting the homes in the area.
3. No identified smoking areas and customers outside residential properties disturbing residents.
4. Cars parked in front of drives, illegally parked, people being loud when leaving the venue, playing loud music in their vehicles and loud banging of doors.
5. Customers drinking alcohol in the street.
6. Extending the hours agreed by the TENS.
7. No communication with resident living around the premises.
8. Drug taking and urinating outside the premises.
9. No order for monitoring the events.

To allow this event to take place would cause an unnecessary level of disturbance to the local residents and would therefore impinge on their quality of life.

As such we ask that this TEN application is refused.

**Representation**

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team (LOOHT) have assessed the likely impact of a Temporary Event Notice, taking into account the hours applied for, along with the location of residential properties nearby the venue and the amount of Temporary Event Notices which have been applied for during this current calendar year.

The applicant has applied to host a Hungarian dance house event from 10.30pm until 2.30am for up to 200 people.

LOOHT have been made aware of a number of issues local residents have been experiencing due to the recent TENS the venue has been hosting, this has subsequently been escalated to the local Councillors in the area.

There are a variety of issues that have been highlighted as shown below:

1. Illegal road closure of Warwick Street witnessed by a local councillor, a GMP officer and residents.
2. Doors to the venue open with loud music and bass of equipment affecting the homes in the area.
3. No identified smoking areas and customers outside residential properties disturbing residents.
4. Cars parked in front of drives, illegally parked, people being loud when leaving the venue, playing loud music in their vehicles and loud banging of doors.
5. Customers drinking alcohol in the street.
6. Extending the hours agreed by the TENS.
7. No communication with resident living around the premises.
8. Drug taking and urinating outside the premises.

9. No order for monitoring the events.

LOOHT believe granting this TEN would seriously undermine the Licensing Objectives, in particular Prevention of Public Nuisance, therefore on this basis we recommend this TEN application be rejected.

Recommendation: Refuse Application
