**M** Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)**

On first appointment, all staff employed at the premises will receive training on the Licensing Act 2003 including input on preventing underage sales, preventing sales of alcohol to people who are drunk and any other relevant matters. Training shall be regularly refreshed at no less than annual intervals. The training must be recorded and be accessible on the premises and made available for inspection upon request of a Police Officer or an authorised officer of the licensing authority or (in the case of online training) within 48 hours.

**b) The prevention of crime and disorder**

All crimes to be reported to police.

The premises licence holder will ensure that a risk assessment is completed to determine if door supervisors are required to cover busier periods of the week.

**c) Public safety**

There will be no sales of beer, lager or cider with an alcohol content above 6.5% ABV in metal or plastic containers. This restriction shall not apply in respect of specialist branded premium priced products, for example craft ales, local or micro-brewery specialist products, boxed gifts or national celebratory/commemorative beer, lager or cider.

Staff shall reinforce that alcohol should not be consumed in the street at point of sale, where appropriate.

**d) The prevention of public nuisance**

Notices will be displayed at the entrance/exit to the premises asking customers to leave the store quietly and respect local residents.

**e) The protection of children from harm**

The premises will adopt a 'Challenge 25' policy. This means that if a customer purchasing alcohol appears to be under the age of 25, they will be asked for proof of their age, to prove that they are 18 years or older.

The only forms of identification that will be accepted will bear their photograph, date of birth and a holographic mark and/or ultraviolet feature. Examples of appropriate identification include a passport, photocard driving licence, military ID, and Home Office approved proof of age ID card bearing the PASS hologram.
