CERTIFICATE UNDER SECTION 53A(1)(b) OF THE LICENSING ACT 2003

*Premises*²:

Premises licence number (if known): 182538

Name of premises supervisor (if known): Thomas McCartney

I am a Superintendent ³ in the Greater Manchester police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns as to the serious crime and serious disorder which has occurred at the premises.

Greater Manchester Police (GMP) will say that the premises are associated with Serious Crime and Serious Disorder. Therefore due to the Serious Crime and Serious Disorder which has taken place at the premises GMP feel that it is

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

necessary for an expedited review to take place.

The premises are situated in the Spinningfields area of Manchester City Centre and the premises licence was issued in December 2015. The Premises Licence Holder (PLH) is Spinningfields Estate Limited and Designated Premises Supervisor (DPS) is Thomas McCartney.

On the Greater Manchester Police computer systems the premises is still listed under its previous name The Lawn Club.

The incident which has triggered this Summary Review is as follows:

At 2214 hours on Sunday 4th June 2023 Greater Manchester Police (GMP) received a member of staff at the premises who stated that there was a large group of people fighting at the premises and that one of these people had a gun. They went on to say that there was another male who was lying unconscious and that they think that the male with the gun had now left.

At the same time GMP received a call from another person who shouted " Get the police here now. There's a massive brawl and someone has a gun!"

GMP Firearms officers were directed to attend the location.

At 2225 hours GMP received a phone call from North West Ambulance Service (NWAS) stating that they had received a report of a male being stabbed in the leg at the Lawn Club but that the knife was no longer in his leg and they didn't know where it was.

GMP Firearms officers attended at the premises a short time later and confirmed that there was blood on the floor outside the premises and that they had been told that the victim had got up and walked away.

Other GMP officers were then deployed to the location and the CCTV from the premises was viewed and it showed an argument taking place between 2 males and then a 3rd male turns up and pulls out a black handgun, which thankfully was not fired.

Officers also noted that there was blood inside the premises, near to the door of the premises and then a trail of blood leading away from the premises.

Staff at the premises were spoken to and they confirm that they saw the firearm and they provided the CCTV to the officers.

A crime for Possession of a Firearm with Intent to cause Fear of Violence has now been submitted and there is a huge amount of investigation that now needs to take place in relation to this incident and to identify those responsible. Also the victim who was stabbed in the leg is still to be traced.

GMP therefore have serious concerns as to the safety of the customers and staff at the premises due to possible reprisals.

The powers contained under section 53A of the Licensing Act 2003 are necessary and proportionate in light of the association that the premises has to Serious Crime and Serious Disorder.

In the interim Greater Manchester Police would request that the Licensing Authority consider suspension of the Premises Licence until the full review is heard before the committee. Serious Crime and Serious Disorder has occurred at the premises and until the Licensing Committee hear the full review and all the evidence that will be disclosed, to allow the premises to continue to operate as a licensed premises gives concerns that further incidents of this nature will occur at the premises and the licensing objectives will be further undermined. Greater Manchester Police will say that the licensing objectives of the Prevention of Crime and Disorder and Public Safety can only be promoted if the premises licence was suspended until the final determination of the summary review.
