Background documents (available for public inspection):

- Manchester City Council Statement of Licensing Policy.
- Guidance issued under section 182 of the Licensing Act 2003.
- Licensing Act 2003 (Hearings) Regulations 2005
- Any further documentary submissions by any party to the hearing

1. Introduction

- 1.1 On 15/06/2023 an application was made by Louise Carter under s51 of the Licensing Act 2003 for a Review of the Premises Licence for Collyhurst Village Store, 1 Harrowby Drive, Manchester, M40 8LP in the Harpurhey ward of Manchester. A location map and photograph of the premises is attached at **Appendix 1**.
- 1.2 A 28day public consultation exercise has been undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises and details of the application to be published on the Council's website.
- 1.3 The licensing authority must hold a hearing to consider an application to review a premises licence and any relevant representations.

2. The Application

- 2.1 A copy of the application is attached at **Appendix 2**.
- 2.2 The applicant is Louise Carter on behalf of Manchester City Council's Trading Standards Service.
- 2.3 The application for a review was submitted on the grounds that the licence holder has failed to uphold the licensing objective(s) of the prevention of crime and disorder.
- 2.4 Further details of the grounds for the review are as follows:

Following an initial complaint that the premises was selling illicit tobacco products to members of the general public (and after the first official visit to the premises by Trading Standards officers in February 2016) there have been several interactions over a number of years between the Trading Standards Service and the premises/premises owner relating to the sale of said (illicit) tobacco and also illegal vaping products (a follow-up visit in February 2019 re: further reports of illicit tobacco being sold at the premises, a further visit in February 2021 after reports of single cigarettes being sold to minors and the latest visit to the premises in January 2023 following another report of the sale of illicit tobacco).

Despite repeated attempts by Trading Standards to address the (repeated and on-going) criminal activity taking place at the premises (i.e. action plan meetings, PACE interviews, etc.), the named owner of the premises (who is also the named Premises Licence Holder and Designated Premises Supervisor), Mr Yaser Mehmood, has failed to engage properly with the Responsible Authority and has allowed continued (and continuing) criminal activity to take place at the premises relating to the sale of illicit tobacco and vaping products. Furthermore, the Trading Standards Service have highlighted the lack of effective day-to-day control that the named DPS has exercised over the premises whilst the aforesaid illegal activities have taken place, and appear to be continuing to take place.

3. **Current Premises Licence**

- 3.1 A copy of the current licence is attached at **Appendix 3**.
- 3.2 The premises licence holder is Mr Yaser Mehmood who has held the licence since 24/07/2012.
- 3.3 The designated premises supervisor is Mr Yaser Mehmood who has held this position since 24/07/2012.
- 3.4 The licensable activities permitted by the licence are:
- The sale by retail of alcohol

4. **Relevant Representations**

- 4.1 Representations may be made for or against a review application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must relate to one or more of the licensing objectives. Representations may be made by the holder of the premises licence, a responsible authority or any other person. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 4.2 No relevant representations have been received in respect of this application

5. **Additional information**

- 5.1 No additional information has been received from any party to the application.

6. **Key Policies and Considerations**

6.1 **Legal Considerations**

- 6.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

6.2 **New Information**

- 6.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

6.3 **Hearsay Evidence**

- 6.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

6.4 **The Secretary of State's Guidance to the Licensing Act 2003**

- 6.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 6.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 6.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

6.5 **Manchester Statement of Licensing Policy**

- 6.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 6.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 6.5.3 There are a number of references in the Policy to the licensing authority's expectations of applicants. The licensing authority will not apply the Policy rigidly, but will always have regard to the merits of the case with a view to promoting the licensing objectives.
- 6.5.4 Relevant to this application, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants

- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 8: Manchester’s standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS1 Implement effective security measures at the premises
- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS5 Prevent on-street consumption of alcohol
- MS10 Operate effective cleansing arrangements, including ensuring the premises and surrounding area are kept clean and free of litter, and adequate arrangements for the secure and responsible storage of refuse
- MS12 Prevent underage sales of alcohol, including proxy sales

7. Conclusion

7.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:

- a) the prevention of crime and disorder
- b) public safety;
- c) the prevention of public nuisance; and
- d) the protection of children from harm.

7.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the licence holder. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.

- 7.3 The authority must take such of the steps below as it considers appropriate for the promotion of the licensing objectives. The steps are –
- a) to modify the conditions of the licence;
 - b) to exclude a licensable activity from the scope of the licence;
 - c) to remove the designated premises supervisor;
 - d) to suspend the licence for a period not exceeding three months;
 - e) to revoke the licence.
- 7.4 The conditions of the licence are modified if any of them is altered or omitted or any new condition is added.
- 7.5 All licensing determinations should be considered on the individual merits of the application.
- 7.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 7.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 7.8 **The Panel is asked to take such steps, as set out in 7.3 above, as it considers appropriate for the promotion of the licensing objectives.**
