## 5. Strategic Risk Assessment and Register

| ID | Category            | Risk Description  | Existing Controls   | L | I | Risk Score | Response Actions/ Progress   | Risk Owner              |
|----|---------------------|---|---|---|---|------------|--|-------------------------|
| 1  | Service<br>Delivery | The Our Manchester Strategy and<br>approach fails to drive resident and<br>community behavioural change<br>necessary to reduce dependency<br>and foster neighbourhood<br>improvements. Key strategic<br>priorities are not delivered. This<br>generates additional pressure on<br>Universal services and affects the<br>directorate's ability to deliver<br>required budgetary savings. | Strategy clearly<br>articulated and<br>supported by major<br>communications<br>campaign.<br>Key partner buy in in<br>place and actions<br>being developed<br>collectively.<br>Strategic roadmap<br>and delivery plan are<br>clear and provides<br>framework for<br>performance<br>monitoring. | 3 | 4 | 12: Medium | Activate and deliver programmes at a<br>neighbourhood level targeted at the<br>needs of communities. Twelve<br>Neighbourhoods selected to test out<br>approaches. Training and development<br>of staff to equip them with the right tools<br>to have different conversations with<br>residents. Resident Engagement<br>Approach in development.<br>Programme has been developed into<br>"Bringing Services Together for People<br>in Places" | Deputy Chief Executive  |
| 2  | Financial           | Inability to maintain a balanced<br>budget whilst maintaining critical<br>services.   | Monthly budget<br>monitoring<br>Performance<br>reporting framework<br>DMT Scrutiny and<br>Programme Board<br>tracks delivery of<br>savings.   | 4 | 2 | 8: Medium  | No additional actions beyond response<br>to performance triggers and escalation<br>as appropriate.<br>Regular review and management of<br>existing savings and emerging pressures<br>have provided a strong position towards<br>the end of the financial year 2018/19.<br>This work will continue.   | Deputy Chief Executive  |
| 3  | Service             | Communities and households do   | Education,  | 4 | 3 | 12: Medium | Scrutinise progress for evidence of new  | Chief Operating Officer |

|   | Delivery                                       | not engage with strategies to<br>reduce waste disposal and increase<br>capture of target recycling<br>materials. Changes in the recycling<br>markets result in strict application of<br>the recycling specification which<br>results in more rejected recycling<br>loads. This results in increased<br>financial liabilities through the waste<br>levy and an inability to maintain<br>recycling rates. | Engagement and<br>Enforcement<br>Strategy.<br>Refreshed<br>Communications<br>strategy.<br>More use of media for<br>education.<br>Targeted<br>enforcement in areas<br>of known non-<br>compliance.   |   |   |           | strategies delivering (Dec 2018<br>campaign to target contamination).<br>Planned passageway container project<br>in 2019/20 to improve quality of recyclate<br>collected and refreshed communications.<br>Work with Biffa to capture intelligence<br>from the crews to target education,<br>engagement and enforcement activity.<br>GMCA procurement of the replacement<br>contract to manage GM recycling and<br>disposal facilities reset the recycling<br>contamination levels at a higher rate to<br>reflect current levels. | Neighbourhoods                            |
|---|--|---|---|---|---|-----------|--|---|
| 4 | Service<br>Delivery<br>(Corporate<br>Priority) | The performance of the waste<br>collection and street cleansing<br>contract does not meet Council<br>requirements or resident<br>expectations.  | Waste Management<br>Strategic Board, G&N<br>Programme Board,<br>Performance Contract<br>management Group,<br>Neighbourhoods<br>Scrutiny Committee,<br>and significant<br>partnerships register<br>with associated<br>assurance processes. | 3 | 3 | 9 Medium  | Ongoing review through agreed<br>governance arrangements<br>Plus additional interventions:<br>- Bi-annual sessions to be established<br>for Biffa / elected members to meet<br>(2019).<br>- Joint communications plan to be<br>developed with Biffa to improve<br>perceptions of the service.  | Chief Operating Officer<br>Neighbourhoods |
| 5 | Service<br>Delivery                            | Re-procurement does not deliver<br>expected savings - exposing all<br>Waste Collection Authorities (WCA)<br>to higher Waste Levy Costs than   | CEX WLT have<br>Established the GM<br>Treasurers Group,<br>Strategic Officers   | 3 | 3 | 9: Medium | Work with GM to Implement outcomes<br>and recommendations from the GM<br>Treasurers group as part of a wider GM<br>Council response to the Waste Levy.   | Chief Operating Officer<br>Neighbourhoods |

|   |  | planned.  | Group and Review of<br>Capacity Group to<br>provide opportunities<br>to exert influence and<br>recommend change.   |   |   |        | MCC Officers are supporting the<br>procurement process. The final bids will<br>be returned at end of December 2018.<br>Financial analysis is expected to be<br>available early January 2019.  |   |
|---|--|---|--|---|---|--------|---|---|
| 6 | Service<br>Delivery                            | Growth in residential housing<br>cannot be absorbed by existing<br>domestic bin collection rounds.  | Waste Management<br>Strategic Board, G&N<br>Programme Board,<br>Performance Contract<br>Management Group,  |   |   |        |   | Chief Operating Officer<br>Neighbourhoods |
| 7 | Service<br>Delivery<br>(Corporate<br>Priority) | Delivery of the City Centre Review<br>fails to fully address issues around<br>street cleanliness, rough sleeping,<br>and begging, which impacts<br>negatively on perceptions of the city<br>centre as clean, safe, destination of<br>choice for residents and visitors.   | City Centre<br>Accountability Board,<br>performance<br>reporting framework<br>and contract<br>management of street<br>cleansing elements.  | 2 | 4 | 8      | Significant progress made on addressing<br>ASB and street environment issues<br>associated with rough sleeping and<br>begging through partnership operations<br>and effective use of ASB tools and<br>powers. Work currently taking place to<br>assess whether a city centre PSPO<br>should be pursued. Ongoing officer<br>engagement with ward councillors | Chief Operating Officer<br>Neighbourhoods |
| 8 | Service<br>Delivery                            | Enforcement and regulatory<br>services not able to meet the<br>increase in demand caused by<br>growth of the city or changes in<br>legislation (mandatory licensing of<br>Houses in Multiple Occupation and<br>food allergens for example). Risk is<br>aggravated by difficulties to recruit<br>suitably qualified Env Health staff to<br>fulfil these functions due to a | Service pressures are<br>actively monitored<br>and ICT systems<br>amended/ created,<br>and new staff<br>recruited as<br>necessary.<br>Benchmarking with<br>other local authorities | 2 | 3 | 6: Low | Regular forward planning and review of<br>resource implications and capacity<br>issues. Growth Bid to be submitted to<br>help address pressures.  | Chief Operating Officer<br>Neighbourhoods |

|    |                     | combination of nationwide shortage<br>and competitiveness of salary.  | to understand<br>variations in pay,<br>Graduate trainee<br>position in place and<br>apprenticeship<br>standard in<br>development   |   |   |            |   |   |
|----|---------------------|---|--|---|---|------------|---|---|
| 9  | Service<br>Delivery | Business Continuity Plans both<br>within Council services and the<br>supply chain do not mesh to<br>address all key reliance's and<br>protect the delivery of essential<br>services.                      | Majority of services<br>have business<br>continuity plans and<br>many of these are<br>tested individually.<br>Experience in<br>activating plans in<br>response to corporate<br>incidents.                    | 4 | 3 | 12: Medium | Undertake a mapping and review<br>exercise of all plans to test assumptions.<br>Review contractor plans in the context of<br>service plans undertaking a gap analysis<br>to identify vulnerabilities<br>A refresh of all Business Continuity plans<br>was completed in 2017 and is due in late<br>2018/19 | Chief Operating Officer<br>Neighbourhoods |
| 10 | Workforce           | Workforce development and<br>apprenticeship offer does not<br>progress at the required rate to<br>ensure the Directorate has the skills<br>and experience necessary to deliver<br>against its objectives. | Workforce<br>Development Plan<br>Regular scrutiny and<br>discussion at<br>Workforce<br>Development<br>Meetings and DMT<br>Directorate quarterly<br>HR dashboard tracks<br>progress of<br>apprenticeships and | 4 | 2 | 8: Medium  | Regular communication to employees<br>and service<br>Ensure process to arrange development<br>is easy, accessible and shared with<br>service areas<br>Maximise use of apprenticeship levy<br>The full budget was allocated effectively<br>in 2017/18 and is on track to be spent by<br>end March 2019.    | HR Business Partner                       |

|    |                        |   | workforce<br>development spend.<br>Monitor workforce<br>budget spend<br>throughout year   |   |   |           | The directorate is on track to deliver the commitment of 18 Apprenticeship starts by March 2019.   |   |
|----|------------------------|---|---|---|---|-----------|--|---|
| 11 | Service<br>Delivery    | Management of key contracts (e.g.,<br>Leisure) does not deliver the<br>required products and services<br>necessary to assure the delivery of<br>business plan objectives and<br>planned outcomes for the<br>directorate.            | Clear Governance in<br>place to manage<br>contracts<br>Client functions<br>embedded within<br>services focussed on<br>assurance<br>Regular scrutiny of<br>Performance taking<br>place | 2 | 3 | 6: low    | Member review group to meet 6 monthly<br>as part of the QA approach. Leisure<br>contract changes on target to deliver<br>required objectives and service quality.<br>Contract & Commissioning Manager now<br>in post to support the efforts of frontline<br>contract managers. A robust Contract<br>Register is in place to centralise the total<br>value of contracts and manage service<br>delivery.<br>Guidance and training is in development<br>to support contract managers. | Chief Operating Officer<br>Neighbourhoods |
| 12 | Service<br>Delivery    | Unplanned mass events (mass<br>protests, European football fixtures,<br>or major incidents) disrupting<br>residents, businesses and visitors<br>and increasing demand on<br>responsive services to ensure the<br>city remains safe. | Flexible working<br>models ensure<br>responsive resources<br>although stretched<br>can meet the needs<br>of the city.   | 4 | 2 | 8 medium  | Revisiting Event Team deployment to<br>ensure there is adequacy of resources to<br>react and backfill priority work with<br>external assistance.   | Chief Operating Officer<br>Neighbourhoods |
| 13 | Council<br>Performance | Delivery of service development<br>priorities and associated plans in<br>Highways are not achieved within   | Reporting to<br>Executive and<br>Scrutiny Committees,   | 2 | 4 | 8: medium | Recruitment to approved Highways staffing structures is progressing  | Director of Highways<br>Operations        |

| proposed timescales and budget<br>resulting in inability to deliver<br>Council priorities. | Highways Client<br>Board<br>Capital funding                         |  | Performance reporting to Executive and Scrutiny Committees  |  |
|--|---|--|---|--|
| Council priorities.  | requirements set out<br>in capital Strategy<br>and approved through |  | A Highways Improvement Board has<br>been established providing additional<br>oversight              |  |
|  | capital gateways  |  | A Portfolio Board (fortnightly) to monitor<br>capital gateways and revenue spend and<br>forecasting |  |
