Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Insomnia Cookies understands that in applying for a Late Night Refreshment Licence between 11pm and 4.00am, we have a duty to the local community and to protect our staff and customers from danger and harm. We believe that the systems we have put in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that we do not sell alcohol and further none of our drinks or food are served to customers in glass receptacles.

Insomnia Cookies will open from 10am to 4.00am Tuesday to Saturday and 10am to 1am Sunday to Monday for the sale of sweet treats. Primarily selling warm cookies and hot drinks, cold drinks and cakes will also be available.

There is a limited amount number of seating and we anticipate a majority of customers will takeaway.

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours. We pay every employee more than the real Living Wage, run a cookie donation programme and volunteer in the local community.

Vegan, gluten free and Halal options are available and we use no artificial ingredients.

Insomnia Cookies will sell products on-line but intend to use employed delivery drivers to minimise the risk of nuisance. Where third party delivery services are used, Insomnia Cookies will work with them to ensure they minimise any potential nuisance.

All CCTV equipment shall be of a standard suitable to record images of a proper quality and meet the industry standard. The CCTV system shall be regularly serviced by qualified maintenance technicians.

Access to the CCTV system shall be provided to Police Officers at their request.

All shift managers have safety and security training and the need for doorstaff shall be risk assessed.

c) Public safety

There shall be safety systems in place to protect the safety of customers and staff at all times. We shall work with the local Environmental Health Office and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation.

All staff shall receive comprehensive safety training to ensure that safe working methods are adopted and all staff shall be trained on the evacuation procedure in the event of a fire or other dangerous occurrence.

The premises shall operate a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area.

d) The prevention of public nuisance

Litter

Insomnia Cookies is committed to reducing packaging and litter and shall provide a recycling bin and a general waste bin inside the premises and shall pick up litter in the immediate vicinity. All paper bags and napkins are recyclable and sourced sustainably and single use plastic is not used. All packaging is branded.

Noise

The entrance doors are self-closing and customers shall be encouraged to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

e) The protection of children from harm

Insomnia Cookies do not anticipate that unaccompanied children will use the premises in the extended hours covered by this licence. We do however take their safety extremely seriously and will ensure that they are protected from harm at all times when visiting Insomnia Cookies.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
