

## Manchester JTAI Serious Violence Action Plan

(November 2023)

Ref	What needs to improve/ACTION	What will the impact be and how will we know	Evidence of progress	Lead Agency/Officer and Timescale
<b>1. How effectively the arrangements for the monitoring and evaluation of serious violence support the partnership in implementing its strategy.</b>				
<b>1.1</b>	Develop an evaluation framework that includes feedback from young people and scorecard to monitor the progress and impact of the Serious Violence Strategy.	Informed decision making through a dynamic response to serious violence that measures both experience and outcomes for children affected.	Clear performance and assurance arrangements to measure progress against key milestones and impact of Serious Violence Strategy	Sam Stabler - Community Safety Partnership (CSP) via the Multi-Agency Serious Violence Board, and Greater Manchester Violence Reduction Unit  <b>May 2024</b>
<b>1.2</b>	Ensure that evaluation of effectiveness is incorporated within routine interactions with CYP across the Partnership, using engagement mechanisms such as the Youth Participation Framework	The views of CYP inform evaluation of contacts/interventions that services have with them which will drive up effectiveness of work to support them in achieving outcomes.	Young people's views/feedback are routinely used alongside performance reporting.	All agencies with the Community Safety Partnership.  <i>(Assured by the MSP)</i>  <b>April 2024</b>
<b>1.3</b>	Increase use of Youth Participatory models of engagement with young people	The voices of children/young people whose voices are less well heard will be amplified and involved in decision making and are confident self-advocates.	Agencies can provide examples of how a youth participatory approach is embedded in practice.	All agencies with the CSP  <b>April 2024</b>

**2. How well the strong strategic intent to address the disproportionate impact of serious violence and criminal exploitation on children from some ethnic backgrounds and those with special educational needs and/or disabilities (SEND) has been translated into positive change for children.**

2.1	<p>EHCP are used to inform multi agency child in need, child protection or my safety plan, and clearly identify the vulnerability, education and health need to be addressed in the plan</p> <p><i>(See also Action 3.1)</i></p>	<p>Partners will collaborate effectively so that any barriers are removed in order that CYP are supported in attending school and achieving expected outcomes, including progression to Education, Employment or Training at post-16. This includes children with identified SEND needs, those with an EHCP and children who may be affected by disproportionality.</p>	<p>For all children known to Children's social care with issues regarding Serious Violence who have an EHCP, there is evidence that the plan identifies the child's specific need and vulnerability to the risk of serious violence and this is incorporated in the child in need, child protection or my safety plan</p> <p>Audit conducted by Complex Safeguarding Team</p>	<p>Education/Health/CSC</p> <p><b>May 2024</b></p> <p>Complex Safeguarding Team/SEG</p> <p><b>June 2024</b></p>
