CITY COUNCIL

## Notice of Decision Made

Decision maker	Deputy Chief Executive and City Treasurer
Date of decision	7 February 2024
What is the decision?	The appointment of a contractor to provide open brook course maintenance.
Reasons for the decision (but excluding any exempt or confidential information)	The appointment of a contractor to provide open brook course maintenance following a competitive tender exercise.
Alternatives considered and rejected	The Council does not have the capacity or infrastructure to provide this service in house. Existing frameworks were looked at like TC056 Highways Work, TC944 – Cyclical clean. Both were considered but rejected due to no provision for Open Brook Courses, the frameworks considered TC944 was for civils working in the highway cleaning drains, TC056 was more for Highways improvement works, both were rejected as Open Brook Courses are bespoke and specialist works were working with water and removing contaminated waste and landscape trimming.
Interests Declared	None
