## **1.0 Introduction**

- 1.1 This report is provided to update members on the progress of the motions that have been passed by full Council since March 2024 and following previous report to this Committee by the City Solicitor. In the City Solicitor's department a tracker is maintained of Council motions passed during the course of the year, progress on the actions taken is monitored at SMT. A number of the motions have requested a call on the government to take action and have raised serious issues of concern to Manchester residents and the Council.
- 1.2 The tracker is attached with an update for each of the motions, passed over the last 12 months with the progress made to date.

## **2.0 Background**

- 2.1 The consideration and resolution of motions, and amendments to motions, is an important part of the Council's decision making processes. They are a significant part of the meetings of the full Council throughout the year and are a normal part of the business of Council meetings, with the exception of the Annual Meeting. Proposing and debating motions allows Councillors to participate directly in policy development and policy making enabling democracy in action.
- 2.2 The Council's procedures for debating and deciding motions are set out in Part 4 Section A of the Council's Constitution. They allow a motion to be considered at a meeting of the Council if it is supported by any five Councillors. Amendments to motions that are to be considered can be proposed by any two councillors. To be passed and adopted, motions and amendments generally require the support of a majority of the members present and voting at the meeting.
- 2.3 The decisions on motions, the resolutions of the Council, are recorded in the minutes of the Council meeting. After each meeting the resolutions are considered by the members of the Council's senior management and any necessary plans of action agreed and acted upon. Progress with these is then tracked on a periodic basis by SMT. Appended to the report is the schedule that is being maintained by the SMT to record the actions and track progress on Council resolutions.
- 2.4 In consideration of the tracker the committee will note the progress made in respect of a number of the motions and the progress monitored by this and other scrutiny committees

## **3.0 Recommendations**

- 3.1 For the Committee to note the contents of the report and to continue to receive regular updates.
