- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.

- Public Health

3.2 Summary of the representations:

<b>Party</b>	<b>Grounds of representation</b>	<b>Recommends</b>
<b>Licensing and Out of Hours Compliance</b>	<p>LOOH Compliance Team have submitted a representation against the application on the grounds of there being a high likelihood of the Licensing Objective relating to the prevention of public nuisance being negatively impacted upon if the application is granted.</p> <p>LOOH Compliance are not satisfied that the applicant has provided sufficient assurances via their application to ensure that (in relation to the delivery of online orders of alcohol to a customers premises, particularly at antisocial times of the day/evening) there will be no issues of noise disturbance/public nuisance as a consequence of the proposed delivery</p>	Refuse

	<p>service and associated activities thereof</p> <p>LOOH Compliance Team have also highlighted a concern relating to the potential for on-street consumption of alcohol in their representation (with specific reference to Manchester's 'Public Space Protection Order' policy) and are, again, not satisfied that the applicant has provided sufficient reassurances via the application that instances of on-street alcohol consumption will be prevented from taking place.</p> <p>The applicant is proposing to provide a 24hour online alcohol ordering/delivery service. However, the proposed premises (a Safestore storage facility) operates to timings that are not currently conducive to 24hours operation, i.e. Monday to Saturday 8am to 6pm, Thursday 8am to 8pm and Sunday 10am to 4pm. The applicant's representative has advised that the applied for operating hours are to take in to account any future/potential changes to the storage facility's operating hours (and also to fulfil the qualifying online advertising and ordering criteria for selling products via an online platform, i.e. Amazon FBA).</p> <p>LOOH Compliance Team are requesting that the application be refused as they are not satisfied that sufficient assurances have been provided via the application to ensure the upholding of the Licensing Objectives.</p>	
<p><b>Public Health</b></p>	<p>Public Health have submitted a representation against the application on the grounds of the Licensing Objectives relating to the protection of children from harm and the prevention of public nuisance.</p> <p>It is of particular concern to Public Health that the age verification/checking policies and procedures (in relation to the online purchase and home delivery of alcoholic products) being put forward via the application are not of sufficient depth and clarity to ensure that the underage sale and provision of alcohol does not actually take place.</p> <p>Furthermore, Public Health believe that the applicant has not provided clear and conclusive</p>	<p>Refuse</p>

	<p>confirmation that all delivery drivers will, as a matter of routine, perform a legal age check when carrying out any/all home deliveries of purchased alcoholic drinks and that (where an insufficient response has been given to any 'Challenge 25' age check) the delivery will not therefore take place.</p> <p>Public Health have also drawn attention to the likelihood of (already) inebriated persons placing and receiving deliveries of alcohol at antisocial times of the day, and there also being little/no indication from the applicant as to how refusal of such a delivery would be managed and recorded (the stated refusals book/register being advised as a means for registering underage sales only).</p> <p>The likelihood of there being public nuisance incidents (particularly as a consequence of late-night deliveries of alcohol to a residential premises) has also been outlined within the Public Health representation. Concern has been expressed regarding a lack of mitigating measures within the application to prevent public nuisance incidents and/or situations occurring that would impact adversely upon nearby residential premises.</p> <p>Overall, Public Health believes that the application, in its current form, would negatively impact the Licensing Objectives and are requesting that the application be refused.</p>

3.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 4**.

#### **4. Key Policies and Considerations**

##### **4.1 Legal Considerations**

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

##### **4.2 New Information**

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations

or notice either before the hearing or, with the consent of all parties, at the hearing.

### 4.3 **Hearsay Evidence**

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

### 4.4 **The Secretary of State's Guidance to the Licensing Act 2003**

4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

### 4.5 **Manchester Statement of Licensing Policy**

4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

4.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

#### **Section 6: What we aim to encourage**

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and

night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

### **Section 7: Local factors**

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Identified risk factors specific to the licensed premises
- Evidence of pre-existing problems in the area
- Consistency with relevant Council strategies

### **Section 8: Manchester's standards to promote the licensing objectives**

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to

the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

MS3 Responsible promotion and sale of alcohol

MS5 Prevent on-street consumption of alcohol

MS12 Prevent underage sales of alcohol, including proxy sales

## **Section 9: Alcohol delivery services**

This section sets out specific provisions for alcohol delivery services to be considered in conjunction with relevant standards from Section 8 of the Policy

### **5. Conclusion**

5.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and;
- the protection of children from harm.

5.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.

5.3 Having regard to the representations, the Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:

- a) To grant the licence subject to:
  - i. the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate, and
  - ii. any mandatory conditions that must be included in the licence;
- b) To exclude from the scope of the licence any of the licensable activities to which the application relates;
- c) To refuse to specify the person proposed in the application as the designated premises supervisor;
- d) To reject the application.

- 5.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 5.5 All licensing determinations should be considered on the individual merits of the application.
- 5.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 5.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 5.8 **The Panel is asked to determine the application.**
