Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the DPS variation of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the DPS variation in relation to the above premises on the grounds of Prevention of Crime and Disorder.

Garry Duncker is applying to become the Premises Licence Holder at the above premises.

Mr Duncker currently resides [REDACTED] in Scotland which is a large distance to travel to the premises and GMP are concerned that Mr Duncker will not be at the premises as often as would be required to ensure that the staff are upholding the licensing objectives.

GMP have attempted to contact Mr Duncker by telephone and by email, but these attempts have been unsuccessful and as such our concerns have not been alleviated.

Manchester City Council's own Licensing Policy states:

"Where, following an objection by the police, the Licensing Authority are satisfied that the appointment of a person as a Designated Premises Supervisor would undermine the crime prevention licensing objective, the policy is to refuse the appointment or to remove them as the DPS in circumstances where they are already in post."

We therefore ask that this DPS variation is refused.
