Hi, [REDACTED] just told me that Black milk on oldham st on the corner of Houldsworth st below me are applying for a later license.

I am already having issues with black milk which I have reported to the council along with other neighbours.

[REDACTED]

I would not cope I couldn't if this was allowed [REDACTED]
[REDACTED]

[REDACTED] when they close they the staff do do drugs this has been reported and they play there music very loud also there friends then come and they get louder.

I know now at least there is a cut off

This would really impact my life Its not just a case of me being unreasonable [REDACTED]

Subject: Reservations for Blackmilk time extension

[REDACTED]

[REDACTED]

[REDACTED]

Hello,

I wish to put forward my reservations regarding the time extension for the above business until 1am.

I am confused, given recent events, that an extension in time to sell alcohol is even being discussed given ongoing noise complaints with Blackmilk.

[REDACTED]

[REDACTED] The business doesn't behave in a reasonable manner and this can be evidenced by previous complaints of neighbours.

This will be highlighted if the license is granted. Furthermore, if this license is granted, I intend to take legal action against the council given the profound [REDACTED] impact this had on me and the evidence (previous noise and ASB complaints) that's been made available to the council before making a decision.

I can assure the council if this is taken down a legal route then I will be highlighting the council inability to take residents concerns into consideration.

To be clear, I take a VERY active stand against any license extension.

I'd you wish to discuss this any further, please feel free to contact me.

Regards,

[REDACTED]
