Dear sir or madam,

Reference the above licensing application. I note the request for licensing hours are Sun to Wed between 10am and 11.45pm and Thurs to Sat between 10am and 00.45.

Although I am not opposed to the premises being licensed, I do object to the hours of licensing given this business is in a residential area, and the potential noise levels that could be generated from the property.

I would request the licensing hours do not commence before midday and do not go beyond 10pm on weekdays or weekends.

Many Thanks,
