### **Questions for Executive Members and Others under Procedural Rule 23 (Agenda Item 8)**

---

#### **1. Question from Councillor Nunney to the Executive Member for Vibrant Neighbourhoods**

##### **Question**

Who is responsible for clearing fly tipping from waterways in our parks?

Received: 31/01/2025 @ 10:50

---

#### **2. Question from Councillor Nunney to the Executive Member for Clean Air, Environment and Transport**

##### **Question:**

We have a reasonably efficient way of dealing with dangerous, slippery leaves on our footpaths. However, this is not the case when it comes to dangerous, slippery sludge following flooding.

What is Council procedure for dealing with such hazards?

Received: 31/01/2025 @ 10:50

---

#### **3. Question from Councillor Nunney to the Executive Member for Clean Air, Environment and Transport**

##### **Question:**

It has recently been brought to my attention that there are some council-run pay and display machines in the city which print tickets which contradict signage. For example, printing a ticket apparently valid until 8.05am the next morning even though signage prohibits overnight parking.

Can pay and display machines be programmed so that the printed ticket does not contradict the signage?

Received: 31/01/2025 @ 10:50

---

#### **4. Question from Councillor Northwood to the Leader**

**Question:** Given changes to the moderation and safety policies of the X and Meta platforms following the election of Donald Trump, has the Council made any assessment of using alternative platforms such as Bluesky or Mastodon to make information available to residents?

## **Council meeting – 5 February 2025**
