## Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence in relation to the above premises on the grounds of Prevention of Crime and Disorder and the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The operating schedule which accompanies the application offers nothing in terms of enforceable conditions which show how the 4 Licensing Objectives will be upheld.

It gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated.

We therefore ask that this application is refused.

Representation
<p>Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.</p> <p>Licensing and Out of Hours Compliance Team have assessed the likely impact of the granting of this applications taking into account a number of factors, including the nature of the area in which the premises is located and the proximity to the residential accommodation, the hours applied for, and any potential risk that the granting of this application could lead to issues of public nuisance.</p> <p>The variation application is for a takeaway:</p> <p>The applicant has requested late night refreshment: Monday to Sunday 23:00-4:00</p> <p>Existing Sunday to Thursday 23:00-24:00 Friday and Saturday 23:00-01:00</p> <p>And Proposed Opening hours: Monday to Sunday 17:00 – 4:00</p> <p>The premises is positioned on the ground floor, midway along a short run of mixed use commercial units on Oldham Road.</p> <p>Section M of the licence application requires the applicant to describe any further steps they will take in order to promote the 4 licensing objectives. With regards to the proposed application, the applicant has failed to provide any information with specific reference to the prevention of public nuisance for the later proposed terminal hours.</p> <p>Section 7.1 of Manchester’s Statement of Licensing Policy states “Licensed premises are expected to be an asset to their local area through promotion of the licensing objectives.”</p>

The applicant has not offered any further information other than their existing licence conditions that can be measured to ensure that the licensing objectives are upheld, with particular reference to the later terminal hours applied for.

If the current application is granted, Licensing and out of hours are of the opinion that the increased traffic to and from the premises either by car, taxi or on foot would generate noise nuisance not normally experienced by nearby local residents and in particular the later week nights and Sunday night times applied for.

Manchester's Statement of Licensing Policy states in section 7.5 that "applicants are expected to address any local factors relevant to their premises." This has not been satisfied in the application and gives rise to concerns over the applicant's ability to effectively manage the premises fully at the later terminal hours applied for.

The Licensing and Out of Hours Team in our capacity as the Environmental Health Responsible Authority feel the grant of a licence based on the application submitted would undermine the licensing objectives and request it to be refused.

Recommendation:

Refuse Application

Subject: licence to open extra hours 261 Oldham Road

To: <premises.licensing@manchester.gov.uk>

Dear Sir/ Madam,

[REDACTED]

Today I went there and saw a small notice stuck on the shutter of 261 oldham road, (chicken shaq takeaway) it says they have applied for opening till late. I haven't received any letter or anything to inform that. I have an objection for the takeaway to stay open till late because I have a flat up stairs where people will have problem if they open till very late. I understand they want to open for business but till 12 midnight is ok later than that will have problem people sleeping in the flat because customers will make noise their machines etc making noise. Their lease said they should not disturb the people in the flat. I would request you to consider the people living upstairs when you grant opening time please.

thanks
