**Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:**

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

- Employing adequately trained staff to guarantee all objectives are always being met and operating a closed door policy.
- having a good network of CCTV on site.
- Training all staff members to assess and prevent the issues from our licensing objectives
- Retaining all CCTV footage for 28days on site
- Ensuring a strict challenge 25 policy is always in place in the venue
- Serving a food offering for duration of the opening times.

**b) The prevention of crime and disorder**

We will help to eliminate the risk of crime & disorder by taking steps to prevent any issues beforehand. having door staff for supervision of the hours during late night refreshment, To assist in this will also have a CCTV system which helps cover the entire venue and all exits .

The bar will be well signed with methods of preventing any loss & crime happening while in the venue. we will also take into account outside risks such as larger gatherings in the area and address the concerns with the adequate response whether its to increase security presence or to limit our capacity to suit the conditions.

**c) Public safety**

We will monitor public safety in a number of ways, anyone who is judged to be under the influence will be refused entry and service at the venue.  
CCTV is to a standard to have facial recognition in the case of any issues within the venue.  
We will follow our existing smoking & dispersal policies to ensure the safe exit from the venue.

**d) The prevention of public nuisance**

In order to eliminate the risk of causing any public nuisance we will actively reduce any risk of noise pollution but using our current two door entrance to make sure any sound is contained inside the venue. local residents won't experience any noise issues due to the location and preventative measures already in place at the venue  
Outside the venue we will have well managed exit areas where no waste is to be taken outside the venue and any negligible waste will be cleaned promptly. there is no issue with light pollution given the location in the basement of our premises.  
We will operate with a sound limiter so volume can be closely monitored and limited by management.

**e) The protection of children from harm**

To prevent the harm to children we only allow those under 18 in the venue until 8pm and must always be under the supervision from an adult.  
a strict challenge 25 policy is also in place to avoid any unlawful service in the venue
