PREMISES TEAM

To Whom it may concern

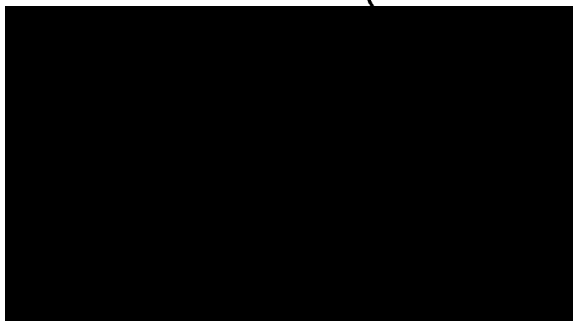

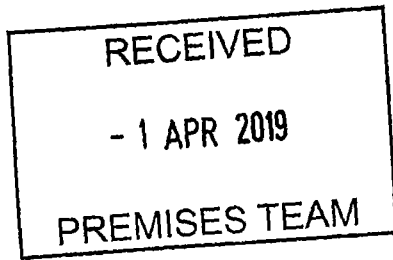

I am writing this letter to object for the application for alcohol to be sold at B P Princess on Princess Road

I object because I live [redacted] and there is enough trouble round here with different issues without them being able to purchase alcohol at the garage

1) Around here has terrible Anti social behaviour issues already and with alcohol this would just escalate.

2) The area already has a very high crime rate which is sure the police would verify.

3) I have 7 Grandchildren and I would fear for their safety when they are here because there would be broken glass everywhere and fights regularly people shouting abuse etc. feel free to contact me if you need to [redacted]

To whom it may concern

Regarding Service Station Princess Road

I strongly object to Alcohol being sold there because of the trouble it will cause people that live [REDACTED]

it will encourage youths to smash glass bottles and leave tin can's in the passages way behind garage [REDACTED]

[REDACTED] enough trouble and noise with teenagers already dont want anymore also I dont agree with selling alcohol to Drivers it encourages Drink Drives and causes traffic accidents

Yours Sincerely
