Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Our alcohol sales will be mainly for our clients having haircuts, so i forsee people consuming alcohol in a civilised manner. We want to create a nice relaxing ambience for our clients who may want a beer or glass of wine whilst reading a book or having a chat.

b) The prevention of crime and disorder

As stated in point A we're expecting any public disorder but we'll do our upmost to maintain a civilised and relaxed enviroment.

c) Public safety

Even at full capacity there will probably be on average 10-20 people on our premisis so we don't expect this to endanger public safety. We assume responsability for making sure the public will behave appropriately whilst on our premisis.

d) The prevention of public nuisance

On average we expect the most our clients will probably drink is 1-2 alcoholic beverages. If any of the public enter our premisis already intoxicated they will not be served any alcoholic beverages. As stated before we want to create a relaxed and civilised atmosphere.

e) The protection of children from harm

Customers will be asked for ID to prove their age.

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
