Part 3 Operating Schedule

When do you want the premises licence to start?

DD	MM	YYYY
2	5	04
2	0	19

If you wish the licence to be valid only for a limited period, when do you want it to end?

DD	MM	YYYY

Please give a general description of the premises (please read guidance note 1)

The premises currently trades and will continue to trade as a record shop. The premises currently also offers refreshments such as coffee as an additional element to this.

The applicant has recently purchased the premises, and the purpose of this application is to permit them to sell alcohol in the same way.

The applicant acknowledges the location of the premises in the Withington Stress Area, as set out in Manchester City Council’s Statement of Licensing Policy (the ‘Policy’), but is confident that it will not impact negatively upon the licensing objectives due to a number of factors as set out below. Indeed, in light of these factors, the applicant is of the view that the grant of this application would uphold the aims of the Policy.

The first of these factors is the hours sought in this application, as set out below. The Policy indicates (at 5.2) a concern that Withington may attract late-night venues which cannot set up in Fallowfield due to the CIP. The applicant would submit that the hours sought clearly are not ‘late night’.

The second is the nature/style of operation of the premises. Again, at 5.2 the Policy indicates a concern in respect of ‘alcohol-led venues’. This is not an alcohol focussed premises, as its primary use is and will continue to be as a record store. However, customers may wish to browse the premises, listen to some music and also have the option of ordering a drink (either alcoholic or non-alcoholic) should they wish to do so. The Policy further details (at 5.20) that non-alcohol led venues, with a closing time of up to midnight will be ‘strongly encouraged’. The applicant would therefore submit that the grant of this application should be encouraged.

The applicant has also offered appropriate and proportionate conditions to address any potential impact of the grant of this application, and would further submit that whilst this in itself is not an exceptional factor as per the Policy, the relatively small size of the venue will dictate and minimise any potential impact in any case.

Finally, whilst the applicant company itself is relatively newly established, the individuals behind the company have vast experience in running various licensed premises across Manchester and the country (including The Liars Club and Junkyard Golf Cub), and are therefore well versed in putting policies and procedures into place which ensure that the licensing objectives are upheld.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

What licensable activities do you intend to carry on from the premises?
