To: Mr Adam Edwards

5th June 2019

Dear Sir

Please accept this letter as formal notification that Greater Manchester Police wish to object, under Section 104(2) of the Licensing Act 2003, to the **TEMPORARY EVENT NOTICE** detailed below, as we are satisfied that granting the application under these circumstances would undermine the Licensing Objectives.

PREMISES NAME:	Cobbled Area outside premises
ADDRESS:	Kiki 4 Canal Street Manchester M1 3HE
DATE OF EVENT:	24/08/19 – 26/08/19
TIME OF EVENT:	1200 - 2000 hrs

GMP objects to the grant of this Temporary Event Notice on the grounds of the Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.

The premises have applied for an outside bar on Canal Street during Pride. Other premises within the Pride footprint respect our informal agreement to not have venues selling directly onto Canal Street – this has been an ongoing agreement for many years and is fully supported by the Pride organisers and all other venues.

The main reason for this is the Public Safety objective – approximately 40,000 people attend the Pride event on Saturday and Sunday and Canal Street especially becomes extremely congested - additional queueing for a bar will cause further congestion, especially with venues increasingly having outside entertainment such as

GREATER MANCHESTER POLICE

dancers, singers etc on Canal Street causing further congestion in that area.
Allowing this TEN is likely to cause a ripple effect of other venues applying to serve alcohol onto Canal Street which could harm Public Safety and Crime & Disorder objectives.

As such we ask that this TEN application is refused.

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team (LOOHT) have assessed the likely impact of the grant of this temporary event. Taking into account a numbers of factors including the nature of the area, hours applied for and any potential risk that the granting of this Temporary Event Notice (TEN) could lead to issues of public nuisance.

The premises is on Canal Street within the village. The proposed event is for the supply of alcohol outside of the premises during Manchester Pride. The premises propose to place an external bar on the cobbled pavement of Canal Street. This in addition to a further TEN proposing the placement of a stage area and Marquee.

As a result of this assessment we have concerns that the grant of this application is likely to lead to issues of public nuisance, public safety and prevention of children from harm.

Canal Street is the main arterial route for the Manchester Pride event with the majority of licensed premises located along its length. With large groups of people using the street to access premises and moving through to other parts of the village. LOOHT feel this may cause people to stop and cause significant congestion of people outside the premises. Due to the location of the proposed bar on the public highway this has potential to also cause an obstruction to pedestrians and people enjoying Manchester Pride. There will also be associated litter from people stopping, eating and drinking without anywhere to discard used receptacles.

The TEN states that there will be only 20 people present including staff, it is unclear how people will be moved on or managed to ensure that this limit is complied with. There is no reference as to how security will operate within this area, this has potential to put greater pressure on the agencies such as Show Sec Security and St Johns Ambulance who have been brought in by Pride

organisers to facilitate smooth running of the Manchester Pride event.

A bar in the proposed location on the highway opposite Kiki will encourage street drinking and it will be difficult for the premises to monitor proxy sales and service to intoxicated persons undermining the licensing objective, protection of children from harm.

LOOHT believe that the granting of this temporary event notice would also be counterproductive of the Manchester Standards to promote the licensing objectives set out in the Manchester City Councils Statement of Policy – under MS1, MS7, MS8, MS9 and MS12. LOOHT believe it is highly likely that the licensing objectives will not be upheld and therefore recommend that the TEN to be refused.
