We will have 6 SIA registered security, these will be covering the main entrance, food & beverage area, and in the main hall.

We will also have between 8-10 of our own staff in various positions around the main hall. Making sure walk ways, stairways, entrances and exits are not obstructed.

Bar staff used all have previous bar and catering experience, and apply a challenge 25 policy.

Bar staff only serve into plastic cups, as there are no glass bottles being served to anyone.

We have held 4 previous Muay Thai events at Parrswood Sports centre, with the TEN previously being applied for by MARTYN EYRE & DEASHA BERRY. Both of these two are unavailable on this date hence it is being applied by LUKE POTTS, who has been co-promoter on the previous events.

Previous events have ran smoothly with no issues or trouble, we have also asked the venue for a reference and also the previous security.
