Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Tem (LOOHT) have assessed the late temporary event notice for the date 7th July 2019. Upon assessing this TEN the LOOHT have found concerns regarding the Public Nuisance Licensing Objective.

The TEN applied for is 7th July 2019 times 13:00hrs – 22:00hrs for 200 persons. The TEN has applied for the Sale of Alcohol and Regulated Entertainment. The event is a family fun day BBQ. Which will have fairground rides, a DJ, stalls and games.

The LOOHT have an active noise complaint against this premises and believes that allowing this TEN will become a Public Nuisance for local residents. The LOOHT are also investigating Licensing Offences witnessed at the premises from previous events.

The LOOHT have contacted the TEN to discuss the organisation and the TEN has little to no knowledge on what the Licensing Objectives are and what they mean. They have shown no understanding of how noise will be managed and how they will be able to avoid noise nuisance affecting local residents.

The TEN has not shown enough evidence to mitigate the concerns of the LOOHT, that the event will uphold the Licensing Objectives.

We therefore object to this late TEN and ask for a counter-notice be issued.

Recommendation: Refuse Application
